

# JOSH ADAMS HIGH SCHOOL PRINCIPAL'S REPORT DECEMBER 12, 2016

## I. FINALS

Finals will be administered on December 19-20. Teachers are instructed to give a comprehensive, written final or a project final. Since we wanted to make these finals more rigorous we wanted a longer class period for them to have to take the final. Therefore, we came up with a schedule that would allow us to do that. Since we only have 7 classes, we have the last block set up for any students that missed to make up finals. If the High School students have taken their finals and have a permission slip signed, they are free to leave after their last final. Bus students and students that don't have their permission slip signed will meet in their seminars. The finals schedule is below.

### Finals Schedule:

II. **ACT ASPIRE SCORES:** We should be getting these scores in before we leave for Christmas break. We will be able to look over the data when we get back from break. ACT Aspire knows what they are doing and gives a lot of good information for our students, their parents and the school.

III. **MUSIC:** The choir and the band have been very busy the month of December. They have had several concerts, attended KMEA and sang at Crown Center. They have done a great job. The pep band will be at their first game on Friday, December 16<sup>th</sup>.

IV. **ALUMNI GAME:** We have our annual alumni game on Friday, December 16<sup>th</sup>. Alumni get in free and get a free popcorn. We will have our Stuco Ugly Sweater Dance following the game.
