 - Testing deadline has come and gone. December 2 was the last day for assessing. We had a couple of students that were not able to assess due to health reasons. Other than that it went very well.

- Girls Basketball ended their season on December 8, against Anderson County. Proud of their efforts and their display of sportsmanship. They represented themselves, their team, school and community very well.

- Boys Basketball began practice on Monday, December 12. As of today we have (14) 7th graders and (19) 8th graders out for basketball.
