

Jason Townsend
WES Principal's Report
February 26, 2018

Sophia McDonald and Carter Wilmarth represented the elementary school during the Franklin County Spelling Bee at Central Heights. As always, the words were rigorous and many of them had the audience scratching their heads. Nonetheless, it was fun to see our student's compete in an academic activity.

We had great turnout for parent-teacher conferences in February. I am grateful for families who take time out of their busy schedules to visit with the staff regarding their child's academic, emotional, and social progress.

Miss Luce and the 1st grade students presented an awesome musical in February called *Stone Soup*. We always have a great turnout. I heard so many positive comments about the music program in the elementary school.

We are in the process of scheduling kindergarten round up in April. We should have numbers to report then.

Between parent-teacher conference (Valentine's) week and our winter weather week, things have been thrown in a loop. The staff has done a tremendous job in returning to school and refocusing.

The maintenance staff deserves a huge shout out. As stressful as snow days are for everyone, it could be even more so for them. Even though school gets cancelled, they are still up early clearing the way to ensure everyone's stays safe. They rocked it last week!
