

Jason Townsend - Elementary BOE Report 12/19/2016

The 3rd grade musical was a hit. Miss Luce and the 3rd grade students performed “Melton the Warm-Hearted Snowman”. It was a cute, winter themed musical that was perfect for this season.

The WES student council is currently holding a coin drive (Dec. 12th -16th). The theme of the coin drive is “Toasty Toes Coin Drive”. All donations collected will go towards purchasing shoes for Wellsville kids in need.

Scheduling for our DIBELS benchmark assessments have been made for early January. DIBELS is an assessment used to screen students on early literacy skills, fluency, and comprehension. The results of these assessments are used to help identify students who may need extra support with their reading skills.

We are all grateful for the winter break that is approaching. The spring makes for a long semester with state assessments, preparing for the next grade, and the end of a school year.
