

Elementary BOE report – April 2017 – Jason Townsend

The 3rd, 4th, and 5th grade students will be finishing up state assessments throughout the next week. Testing has gone smooth so far, except for a minor power outage.

Several grade levels will be attending field trips throughout the first week of May. Our staff has done a good job at planning trips that connect to the content they are learning in their grade level.

The 5th grade students will be performing their musical on May 2nd at 7:00 pm. They are doing a program called “We Haz Jazz”. The 4th grade students performed “Pirates: The Musical!” in April. It was a great program and I heard many parents complimenting the students’ performance.

The 5th grade students continue to participate in the D.A.R.E. program. The DARE program centers around making healthy choices. The students will participate in a “graduation” before the musical in May.

Mrs. Beckley has put together another great yearbook full of pictures and memories. Inter-State photo is the production company that will be printing our yearbooks. They have been a great photo company to work with throughout the year. They are big supporters of our school.

The end of the year is an important time to remain academically focused. Our entire staff is continuing to prepare students for the next grade level.

The WES track and field day will be held on Monday, May 8th. We are inviting grandparents to attend and watch they grandchildren participate!
