

Beeville ISD School Health Advisory Council Public Information

The Beeville ISD has an active School Health Advisory Council that meets 4 times each school year. This website contains information that may be of interest to the general population residing within the boundary of BISD.

BOARD INTERNAL ORGANIZATION: CITIZEN ADVISORY COMMITTEES BDF (LEGAL)

The Board shall establish a local school health advisory council to assist the District in ensuring that local community values and health issues are reflected in the District's health education instruction. The Board shall appoint members to the council, a majority of which must be parents of students enrolled in the District and who are not employed by the District.

The District shall publish in the student handbook and post on the District's Internet Web site information about Board policies affecting student wellness and information about the School Health Advisory Council (SHAC). With this in mind, information shall be posted on the BISD Web site on an annual basis to inform parents and community about students' wellness needs.
