BEEVILLE ISD POLICE DEPARTMENT HOSTS 1ST ANNUAL TROJAN THANKSGIVING; DISTRIBUTES THANKSGIVING BASKETS TO BISD MEMBERS

Beeville, TX- November 20, 2020 --- The Beeville ISD Police Department hosted the inaugural Trojan Thanksgiving, which included distributing Thanksgiving baskets to 35 selected BISD members throughout the district. The baskets included a turkey, ham, and \$75 H.E.B. gift card.

Recipients were chosen based on their contribution to the community and excellence as a student, teacher, or support staff member. "My team and I feel that these individuals are a vital component to the climate and culture that demonstrates what a true Trojan is" said Chief of Police Art Gamez.

Trojan Thanksgiving was made possible by community contributions. "The generosity of our community members and businesses speaks volumes about our values as a city and school district" said Superintendent Mr. Travis Fanning.

The event took place with a socially distanced drive-thru at Moreno Junior High from 9-11 am.
