March 20, 2020

Dear MJH / TJBA Students

It has been an interesting past few days, I hope that each of you have taken some time to enjoy your spring break during the uncertainty unfolding before us. As I have witnessed the events over the past week rapidly change, I couldn't help but wonder what each of you were thinking and feeling. I am sure that you have had many questions and concerns about what is going on as well as what will happen in the upcoming weeks. I know that you also look to your teachers, counselors and administrators for guidance and comfort in difficult times. I can assure each of you that we are doing our best to find answers and provide the best alternative instruction possible for you.

For now, I hope that you are getting to enjoy the last bit of your Spring Break. We encourage you and your families to take time to be together. Find opportunities to do things with your family that you normally would not have time to do. Next week, myself and your teachers, will be working to ensure learning continues during this time that we are apart. I ask that you watch the Beeville ISD webpage and the Facebook pages for Moreno JH, TJBA and Beeville ISD for upcoming information on how to access the alternative learning opportunities that will be provided.

I look forward to seeing pictures of you and your families involved in the different types of learning going on in the weeks to come. We would like to post these pictures on our Facebook pages to continue to unify our Trojan family and keep us connected while we are apart. Please feel free to send pictures to, [kdeleon@beevilleisd.net](mailto:kdeleon@beevilleisd.net) or [dkroen@beevilleisd.net](mailto:dkroen@beevilleisd.net)

We, your teachers, counselors and administrators will miss you, but I have no doubt that we will be stronger, smarter, and better prepared for adversity when this is over. This too shall pass.

Proud to be your principal

Jaime Rodriguez
