

Hello Parents/Guardians!

As we welcome your children back to school for a new year, I would also like to welcome you! Second grade is going to be a SUPER experience for your child at R.A. Hall! I am Ms. Meredith Jones and I will be your child's teacher this year! I am so excited about teaching second grade and ready to get to know all about your kiddos!

In the coming days/weeks information will be forwarded to you regarding various expectations and procedures (homework, grading, discipline, etc.) for both the classroom and school wide. Please be sure to read all information forwarded your way in order to help us all stay on the same page and know what is in store for this school year. It is also important that all documents requiring student information, signatures or parent response be submitted as soon as possible.

If at any time, you have questions or concerns please contact me via email, phone or conference. Communication is key in maintaining a relationship that will help us both lead your child to success in education!

Thank you!

**Meredith Jones**
