

# Mullin Independent School District

October 26, 2015

Dear Mullin ISD Community,

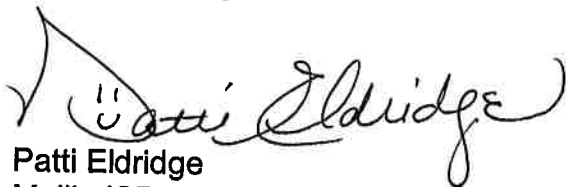

We would like to invite you to help us make things continue to happen at Mullin ISD. An exciting partnership has been created between Mullin ISD and members of our Mullin Community. Like many other school districts, we formed a School Health Advisory Council (SHAC) to bring together individuals and groups from our community to address issues affecting the health and well-being of our children, youth and families.

Our first meeting will take place in conjunction with Mullin's Fall Open House scheduled for Tuesday, October 27<sup>th</sup> at 5p.m. Please be sure to look for a display detailing what an important role the SHAC plays in the school district. There will be two other meetings during the school year...SHAC does not require a lot of your time...but YOU still can make a world of difference for the students, faculty and community of Mullin ISD.

As a valued member of our Mullin Community, your participation is very important to our continued success...Much more can be accomplished "together" than alone! On the back side of this letter is a SHAC member form. Please take a moment to complete the form and return it to me, whether you will be able to join us or not.

We look forward to working with each of you on this important endeavor! If you have questions or suggestions, I would like to hear from you...please feel free to give me a call.

Thank you for your time and consideration...

Patti Eldridge  
Mullin ISD  
Child Nutrition Director

# The Mullin ISD School Health Advisory Council

*Is seeking new members!*

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement.

The SHAC meets at least 2 times during the school year.

*If you are interested in serving on the SHAC, please complete the application below and email or fax it to:*
