

2019 RAMBLER

Parents, Students, and Community Members,

The Blue Valley Rambler Yearbook staff is now selling the **2018-2019 Yearbook**. This is your chance to purchase your book for \$35. Prices will increase to \$40 for all orders after September 21st, and then once more to \$50 starting January 1st, 2019.

This school year marks an exciting time in the history of Blue Valley. Not only is it a year to celebrate the many facility improvements in our district, this year also marks the 60th graduating class from BVHS. It is a great time to be a Ram and you are not going to want to miss this year's coverage.

Please consider purchasing a yearbook for yourself or your student. The Rambler provides coverage of all students in our district Preschool – 12th grade and will capture the special moments from this school year. Your student will value the book more over time, it is a long term investment.

Return this form with your payment before the **September 21st deadline** to your child's building secretary or to Katie Larson. All questions can be directed to klarson@usd384.org.

Sincerely,

Sierra Johns, Yearbook Sales Manager
Katie Larson, Yearbook Adviser
