## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	8	7.5	4.25	198
Without Full Credential	0	0	0	15
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	8

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	1	2
Vacant Teacher Positions	0	1	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: June 2016

Every student has a textbook that is in good condition and consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Currently the facilities are in good working condition. The restrooms are in good working order.

Pinnacles High School was moved to a new facility on October 26, 1992. It consists of two classrooms and an office. A basketball/volleyball court is adjacent to the classrooms for use in physical education classes. On the same site is an adult education classroom, and a learning center, Two student restrooms and one staff restroom are in good working condition.

The facility is clean. The students take pride in the building as is evidenced by the lack of graffiti in and around the facility. There have been only two cases of graffiti in the bathrooms during the past year. This is also partly due to reward and ownership procedures that have been established by the teachers and the administration of the school. The students are rewarded for keeping their bathrooms clean, by being given special bathroom decorations and non-toxic products such as hand lotions.

The district has been researching the purchase of land and other options to expand the school site, as an increase in classroom and office space is needed. In 2007 Pinnacles installed 3 benches by the student restrooms and 2 new basketball backboards. In 2007 Pinnacles' side wall by the boy's restroom was replaced due to rot.

The school was completely landscaped in 1993-94 by students in the Community as School Program in partnership with the landscape architect and Director of Maintenance and Operations for the district. In 2009 the students obtained 50 plants from a local nursery and planted those plants throughout the campus. The students are also growing several bushes and trees in wood boxes along the fence. Over the summer, several student volunteers helped to repaint the railings, lines on the basketball court and in the parking lot. They also painted the doors and painted over chipped paint areas along the outside walls. Another group of students helped to redecorate classrooms and to organize the books on the bookshelves.

Pinnacles High School is a safe school. The school has maintained a strong working relationship with the Police department in Soledad and their response to any emergency is immediate.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure sufficient service and that emergency repairs are given the highest priority. Custodial staff is assigned to clean the school daily and any concerns are addressed in a timely manner.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems.

The school buildings, grounds and restrooms are well maintained and fully functional. In Summer, 2005 the entire school was painted and installations were new linoleum in the staff bathroom, new carpets in Rooms 5 and 6 and a new phone system. In Summer, 2006 three new benches were added to the student outside eating area. In Fall, 2007 an outside wall was repaired by the girl's bathroom. In Winter, 2007 the school's roof was re-tarred to protect classrooms from leaks during the rains. In Fall, 2008 a shade structure was installed to protect students from the elements in the outside eating area. In Summer, 2009 Promethean interactive white boards were installed in all Pinnacles' classrooms.

The administration conducts monthly school walk-throughs to look for and to mitigate safety hazards and to resolve repair issues. Students help to keep the campus clean by raking leaves and picking up garbage on a daily basis. On most days, our campus is very clean and beautiful.

#### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)		0	32	32	48	48
Mathematics (grades 3-8 and 11)		0	20	18	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

#### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	26	22	84.62	0
Male	18	15	83.33	0
Female	--	--	--	--
Hispanic or Latino	26	22	84.62	0
Socioeconomically Disadvantaged	24	21	87.5	0
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group**  
**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	27	22	81.48	0
Male	18	15	83.33	0
Female	--	--	--	--
Hispanic or Latino	27	22	81.48	0
Students with Disabilities	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students**  
**Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	--	--	41	32	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**Career Technical Education Programs (School Year 2016-17)**

CTE courses offered through the school include, ROP Certified Nursing Assistant, ROP Vocational Nursing, ROP Medical Assisting, ROP Pharmacy Technician, ROP Dental Assistant. Additionally students are routed to CTE classes offered at Soledad High School (next door) which include: ROP Floristry, ROP Veterinary Science, ROP Restaurant Management I and II and ROP Small Business Ownership (Virtual Ent.). Classes are part of a comprehensive effort to sequence students through to a capstone effort.

**Career Technical Education Participation (School Year 2016-17)**

Measure	CTE Program Participation
Number of pupils participating in CTE	0
% of pupils completing a CTE program and earning a high school diploma	0%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0%

**Courses for University of California (UC) and/or California State University (CSU) Admission**

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	100
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	0

**C. Engagement****State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2017-18)**

A parent/guardian must attend the initial enrollment conference at the school with their student. School Site Council meetings are held quarterly. An English Language Advisory Council (ELAC) is also held quarterly. Parents/guardians are encouraged to request appointments with the principal or counselor whenever they have a concern about their student. Progress reports are distributed quarterly by mail. Student Study Team meetings are held by request of staff or parents/guardians. All parents are invited and encouraged to attend by formal written invitation and personal phone calls. Parents/Guardians are encouraged to visit the school and to become involved in all activities. Teachers send out mid-quarter progress reports and when students are falling behind Parents/Guardians are asked to participate in a meeting. . All Parents/Guardians are encouraged to either call or email her or her child's teacher whenever they would like a progress. Our Principal and counselor make home visits to check up on students and to assist families with information and referral to social service agencies.

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

**Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

**School Safety Plan (School Year 2017-18)**

Schools have developed comprehensive safety plans that meet state requirements. The plans include procedures for handling disasters, safe entry and exit of students, serious disciplinary problems, sexual harassment, child abuse reporting and school dress codes. Schools have revised, as an on-going process, their comprehensive safety plans, to meet state requirements. Staff is provided on-going training and information about current health or safety threats and revised emergency procedures as necessary. Parents/guardians are sent updated information on how to plan and prepare for an emergency and are invited to trainings and workshops related to disaster preparedness and safety. The administration conducts monthly school walk-throughs to look for and to mitigate safety hazards and to resolve repair issues.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2017-18)

Percent of Budget for Administrative Salaries	7%	6%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

**Professional Development (Most Recent Three Years)**

Staff development is provided on four district wide professional development days, as well as site based training days. Content is consistent with the district intervention plan. Teachers are setting higher expectations and outcomes. Professional development focuses upon the transition to the Common Core State Standards. Teachers participate in writing performance assessment focused upon student writing in response to literature. Weekly collaboration with all staff is a definite advantage at our school site to ensure the success of all our pupils. On-going staff development is furthered through monthly staff meetings and occasional release days which address the ongoing training in the Data Works model of Explicit Direct Instruction.

All teachers possess the Cross-cultural Language and Academic Development certificate or the SB 1969 Specially Designed Academic Instruction in English certificate. The Pinnacles High School schedule allows and one hour daily for teacher preparation, curriculum development, parent contact and collaborative planning.
