

Breakfast in the Classroom

There will be a class roster sheet attached to the breakfast cooler each day:

- ✓ All students should be offered a meal; we cannot make them take it.
- ✓ If a student is absent place an X beside their name, and return meal to cafeteria. (Auditors will be checking this closely)
- ✓ If a student refuses their meal, place an X beside their name and return it to the cafeteria.
- ✓ Students must take 3 items; with fruit or juice being a required item. (free choice of other 2)
- ✓ We are required to offer a choice of milk or fruit because we are offer vs serve.
- ✓ Fruit and juice will be offered daily.
- ✓ Students may place unwanted items on a designated share table.
- ✓ We will offer two types of milk, (chocolate or white).
