Operation Prom Dress provides gowns and accessories to high school students. This event IS NOT BASED ON INCOME and open to all young ladies looking forward to attending a prom or banquet that a formal dress is required.

Co-Chairmen Leslie Davis and Kim Rhame started this event in 2018, while cleaning out closets and found several formal dresses they had no use for any longer. They came up with the idea to give back to the community and give the dresses away. "We live in such a rural and low income area, we wanted to do something for the girls that may not get a dress for prom. Then we decided that why not just open it up to everyone. We've had girls get dresses for proms, banquets, graduation and homecoming. We have so many dresses this year it is unbelievable. We started asking for donations on Social Media and the dresses started coming in. Last year we started with 90 dresses and were able to give over 50 dresses away. This year we are starting with close to 300 dresses, of all different colors, styles and sizes. One lady brings us dresses from the Mardi Gras balls in Louisiana, another brings dresses from West Texas.", Rhame stated.

Davis mentioned "My grandmother will be doing simple alterations on the dresses as well. I'm also looking for donations of manicures, pedicures and hair appointments for door prizes. We want to give door prizes both days. I hope local businesses will help out with donations for these."

This year's Operation Prom Dress will be held on February 9<sup>th</sup> and February 23<sup>rd</sup> in Pineland, Texas at the Sabine Area Career Center from 10 a.m. to 2p.m.

If you would like to donate a dress or would like more information you can contact Davis @ 936-201-8087, or Rhame @ 936-635-3414.
