Solarzano: Teachers will have an opportunity to discuss final draft.</p> <p>-L. Esteva: The policy doesn't seem clear for AP students. It could be structured with homework limits for different levels. Many A.P. students and parents are worried about the amount of homework.</p> <p>-L. McLean: It is hard to clarify how much time because some students finish in 20 minutes and others take 2 hours to finish the same amount of work.</p> <p>-Discussion continued about how to determine time limit.</p>
