Why buy a yearbook ad?

- Our 228-page, all-color yearbook runs on a budget of more than \$60,000. The yearbook class self-funds this entire amount through yearbook sales and business ads.
- We rely on business ads to help keep yearbook prices as low as possible for our students.
- We print more than 500 copies of the yearbook, which means that your ad will be seen by at least 1000 people.
- Your business ad is tax-deductible.
- Unlike athletic or other special programs, the yearbook is for every single student at Sonoma Valley High School—not just a certain group.
- Our business ad section is combined with our popular Senior Ad section to ensure that your ad will be seen.
- You can add a photograph to your ¼-, ½-, or full-page ad at no charge.
