Weatherford Public Schools does not discriminate on the basis of race, color, national origin, sex, marital, or veteran status, religion, or disability. We are an equal opportunity employer.

In consideration of the District's review of my application for District employment, I agree that:

1. Weatherford Public Schools may contact my previous employers and ask them questions about my prior work experience, such questions being more in depth than the basic information of previous work experience listed on the application form.
2. I specifically consent to the release of information by my prior employers to Weatherford Schools and forever release such employers, their governing boards, and employees from any and all claims and causes of action of whatever nature which I could assert against them for communicating with Weatherford Schools about my work experience. I understand that this consent includes a covenant not to sue these prior employers for defamation, regardless of what said employer may inform Weatherford Schools regarding my previous employment.
3. I agree that a copy of this signed Consent and Release may be sent to my previous employer.
4. I understand that the application will remain active for one year after its completion and that I must notify the District if I wish to be considered beyond that period.
5. The applicant understands the Weatherford Board of Education requires a felony search for those recommended for employment and hereby releases applicant's felony record search results to Weatherford Public Schools. Applicant also releases Weatherford of any and all liability relating to its request for, receipt and use of the results of the search.
6. I agree to take a pre-employment evaluation, which includes a drug test.

The name and fingerprints of an applicant for employment with this school district will be submitted to the Oklahoma State Bureau of Investigation for a national felony records search. Such a search will require that you be fingerprinted by the OSBI, or designee, and that you pay the cost of the search. If you are subsequently employed or are employed for a temporary period pending the receipt of the search results, then the district may reimburse you for the cost of the search. The school district may conduct a national felony records search of any current school employee if the board of education recommends the search.

I state that I have read the above requirements and do consent to being fingerprinted. I will pay the fee for an OSBI felony records search.
