

Harrah Educational Enrichment Foundation

Established in August 2005, the Harrah Educational Enrichment Foundation (HEEF)

is a non-profit organization with the goal of promoting academic projects that advance the quality of education for the students of the Harrah Public Schools.

The Foundation achieves its mission to enhance academic excellence by:

-Encouraging community involvement with the schools in a positive and supportive manner.

-Providing funds not available through public sources.

-Building public confidence in the schools.

Vision Statement

The primary goal of the Harrah Educational Enrichment Foundation, Inc. (HEEF) is to be a private partner of the public education system in Harrah. HEEF secures resources from foundations, corporations and individuals to be distributed to Harrah Schools to support programs for which funds are not available from federal, state and local community sources.

These programs will stimulate excellence in and mobilize community support for enhancing the quality of education in the Harrah Public School System.

Statement of Purpose

The primary purpose of the Harrah Educational Enrichment Foundation, Inc. is to promote academic projects that advance the quality of education for the students of Harrah Public Schools by:

- 1) Creating an endowment to which private citizens and businesses may make monetary or in-kind contributions.
- 2) Establish an organization that manages funds, accepts applications and dispenses grants to fund high quality educational projects that are not already included in the established school curricula and budget.

Enrichment Grant Program

The Foundation supports innovative ideas and projects through its educational enrichment grant program.

This program allows funds to be awarded to educators who want to implement innovative projects in their classroom or group that are not covered by traditional budgeting from the school.

The Foundation accepts contributions from private citizens and businesses interested in promoting private sector support for our schools.
