October 30, 2018

Dear Teachers, Parents, and Harrah Community Members,

We are one week away from voting and (hopefully) an end to all of the political ads that are never ending. It's my hope that everyone has done their homework on each of the candidates and state questions that are on the ballot next week.

In my opinion, the results of this upcoming election will be as important to education as the events from the teacher walkout in April. Those tremendous efforts of teachers, parents, and advocates of public education were essential to the first few steps of funding education and making it a priority. I hope this waves continues not only next week but when the legislative sessions starts in February.

Knowing the candidates (specifically their voting history) and what their specific plan for the future of education is vital. Listed below are a few links to help inform voters before Tuesday, November 6th election.

The most important thing you can do is to go out and VOTE on Tuesday, November 6th. Your polling place will be open from 7am until 7 pm. If you have any questions, please do not hesitate to contact me. Thank you!

Sincerely,

Paul Blessington
Superintendent
