Admin Office

Meeting was called to order at 6:00pm by Art Bodie

Members present: Paul Blessington, Sammy Martin, Larry Fryar, Danny; Boyle, Trey Swan, Larry Sturgill, Pam Manak and Debbie Myers.

Visitors: Kevin McBryar and Renaissance Architects

Discussion was made on how to present picture boards and handouts.

We would present information at public meetings.

Voters Registration would have to be done by Sept. 18th to meet deadline to register. We would hand out forms at each school's site and at businesses that allow it.

There are several events happening in the next couple of weeks. Panther football meet and greet with a Hotdog social on Aug 14th, at 6:00pm.

Interest groups need to be checked out as to whether we can use their name as a supporter of the Bond. The group decided to not use the call bank but we can get a list of previous voters and send them an informational letter. Also we need to let polling places be aware of our voting area and who can properly vote. We will use social media to inform the public on information about the upcoming Bond. Have it set up as a information site with a way to ask questions not comment. It was discussed as to start the site and it was decided to do this as soon as possible.

There was much discussion on listing projects costs and prioritized list.

Architects showed the drawings and after much discussion we decided to do away with some of the drawings shown and make others larger adding descriptions and cost to each under the corresponding picture, we also decided to use a Vertical display . The Logo would be the same with No Tax Rate Increase under it.

We also want to be able to answer the question of how our last bond has went and if the things have been completed.

It was brought to attention that we need to find out cost of flyers, mailers etc.. Danny Boyle has committed to sitting up informational boards and flyers and answering questions. Also he will have inserted flyer added to his advertisement in local paper.

We will check out price of mailing tri-folds and ad rate of Color ad.

Their will be the following members to set at each site to answer questions and make sure handouts are done. Pam Manak- Middle School. Debbie Myers- HS. Danny Boyle -VS. Art Bodie -CR and Larry Sturgill at RB. This group will be at Meet and Greet Teachers on Monday evening 8/10/2015 from 3 to 6pm.
