**TRANSFER STUDENT AND PARENT, GUARDIAN, AND LEGAL CUSTODIAN**  
**CONSENT TO CANCELLATION OF TRANSFER BY THE DISTRICT**

The undersigned applicant for the transfer of a student who is not a resident of this School District recognizes that:

1. The undersigned student has a right by law to attend the school district of residence,
2. The non-resident student desiring to enroll in the District has no statutory right to attend this District, and that acceptance of any transfer is a privilege afforded to the applying parent, guardian, or legal custodian and continuation of the student's education in this District while on the transfer is a privilege;
3. The District is not required to accept this transfer application, and
4. The District does not desire to accept a transfer of a student who detracts from the education process of resident students or takes the place of another transfer applicant who would not detract from that process; and does not desire to accept a transfer of a student whose parent, custodian, or guardian detracts from, disturbs, or interferes with the educational process.

The undersigned hereby agrees that if the District approves a transfer allowing the undersigned student to enroll in this District, the administration of ***the District has the consent of the undersigned to cancel the transfer during the approved transfer enrollment school year if:***

1. The student fails to comply with student behavior rules set by the District, the school attended, or a classroom teacher; fails to willingly comply with directives set by an administrator or teacher; fails to attempt to perform academic or athletic conditioning assignments set by a teacher in the time frame set by the teacher; retaliates in any manner against a District employee for actions taken or not taken by the employee; in any manner willingly damages or destroys or seeks to damage or destroy property of the District or a District employee; leaves school property without permission;
2. The parent or student 18 years of age or older fails to promptly pay financial obligations owed to the District, including but not limited to, payments owed for school lunches or lost or destroyed District property;
3. The student does not prove a valid excuse for failure to attend school; or
4. Since the transfer application is submitted by the parent, guardian, or legal custodian, the parent, guardian, or legal custodian acts in a manner the administration determines has interfered with employees presenting, or students receiving, planned lessons or other academic, athletic, or extracurricular programs; has otherwise interfered with or disrupted the school process or District programs; has harmed or threatened to harm

any student or District employee; has prevented, interfered with, or attempted to prevent or interfere with timely performance of assigned job duties by District personnel, including, but not limited to, failing to promptly leave school, a classroom, or a conference when told to do so by any administrator or teacher or interfering with reasonable efforts by an administrator or teacher to conduct a meeting with the parent, guardian, or legal custodian; fails to comply with the District or school rules that apply to school visitors; fails to promptly comply with any directive given to the parent, guardian, or legal custodian by an administrator; or is found to have submitted to the District, administrator, or teacher misleading or false information relevant to the educational process.

The undersigned also is informed that this consent to cancellation of the transfer is a necessary component for continued enrollment after transfer acceptance, and thus the consent is irrevocable and **cannot** be withdrawn at any time after a transfer is approved.

The undersigned also understands that although the administration will notify the parent or student 18 years of age or older of any transfer cancellation, the undersigned understands and agrees that any determination by the administration that a cancellation is to be implemented will be **final**, the undersigned will have no right to appeal that determination to the Board of Education, and that after cancellation the administration will send the educational records of the student to the student's resident school district or to such other district as the undersigned directs.

By signing this agreement I affirm that I have read and understand the above conditions concerning acceptance of my transfer application and my consent to district authority to cancel the transfer, if granted, for the reasons stated above. I also acknowledge that this form must be completed by parent, custodian, or guardian before attendance is allowed.
