HARRAH PUBLIC SCHOOLS**

FORWARD

Students old and new, we extend you a hearty welcome to Harrah Public Schools. This is your school handbook which has been prepared to acquaint you with the school and to guide you and new students as they enter our school. The sooner each of you become informed about our activities, traditions, customs and regulations, the happier and more successful you will be in our school. Assure yourself of making the most of your years in school by being familiar with the contents of your handbook. Parents, this handbook has been published for you as well as for your child. Its purpose is to provide you with information that may prove useful in understanding the policy of Harrah Schools. As a parent, it is important that you get an overview of your child's school and its activities. The contents of the handbook will answer many questions that may arise from time to time in the home and will increase your knowledge of the school program.

PHILOSOPHY

We, the staff, and Board of Harrah Public Schools believe that all students can learn. We, as a public school system, accept the responsibility to professionally guide the mental and physical development of every student. We believe our function is to assist in the acquisition of fundamental skills and knowledge that prepares each child for productive participation in our democratic society.

MISSION

Our mission is to assist in the acquisition of fundamental skills and knowledge that prepares each child for productive participation in our democratic society.

STUDENT OUTCOMES

Student will acquire knowledge in the arts, listening, speaking, reading, writing, mathematics, science, social science, and the use of technology. Students will apply the acquired knowledge to become productive citizens. Students will be self-directed learners who demonstrate personal, social, environmental and civic responsibilities.

****** STUDENT RESPONSIBILITIES******

The following are responsibilities which students are expected to accept:

- **QUALITY OF WORK:** Students must do their best each day and complete assigned lessons including homework and assignments missed because of absence.
- **SCHOOL RULES:** Each student must conform to school rules and regulations and accept the leadership of teachers, school officials, and others who have been assigned leadership responsibility. Students must also conform to school rules at all times when they are on the way to and from school and at school activities at home or away.

- **CARE OF SCHOOL PROPERTY:** A modern, fully-equipped school building designed for beauty and utility is a part of the heritage of the Harrah student body. It belongs to many generations and is not the sole property of any annual group of students. It is the privilege and obligation of every student to carefully use, preserve faithfully, and pass to future generations, the building, its grounds and its equipment, without blemish. Anyone who damages or defaces any school property will replace or pay for the property damaged or lost.

*****PARENT RESPONSIBILITY*****

The ultimate responsibility for student behavior rests with the parents. The following are among their specific responsibilities:

1. Support the schools in requiring students to observe all school rules and regulations and accepting responsibility for any willful misbehavior on their part. Send students to school with proper attention having been given to health, personal cleanliness and appropriate dress.
2. Maintain an active interest in the student's work. Make it possible for them to complete assigned homework particularly by providing a quiet place and conditions for study.
3. Comply with the school's requests. This includes reading carefully all communications and signing and returning them as requested.
4. Insure that your children attend school regularly without unnecessary absences and arrive at school punctually each day.
5. Cooperate with the school in attending conferences set up for planning for its continuous maintenance and improvement.

It is the belief of the administration that the most effective discipline is self-discipline. Students in Harrah Public Schools are treated as young ladies and gentlemen who are expected to prove to be such by their actions and by their response to the school society.

Every teacher is responsible for discipline at all times. Teachers have full authority and responsibility to correct student behavior whenever such correction is necessary. Disciplinary infractions of a serious nature may be referred to the Principal.

In cases where a student has been unable to adjust to his school environment and where his behavior has become so objectionable that the problem cannot be resolved otherwise, he will be referred to the Principal. Through conferences, every effort will be made to assist the student in overcoming this difficulty. Counselors and parents may be called in when it is felt that they can help the student become an acceptable member of the group. If all these efforts fail to obtain the desired results, the principal will make a final disposition of the case in line with the best interest of the individual student and the school as a whole.

ASBESTOS ABATEMENT

- As a result of our asbestos removal program, we are happy to announce that all identifiable friable asbestos has been removed from the Harrah Public Schools buildings.

DISCIPLINE

Disciplinary actions will be commensurate with the infraction as is evidenced by “discipline” becoming more severe as “infractions” increase in number; however, students should **not** conclude that they cannot receive a long-term suspension simply because it is the first infraction of a rule or policy. Students are responsible to abide by every rule, regulation or policy listed in the Student Handbook, and/or given in a classroom. Learn these rules and abide by them – **IGNORANCE IS NOT AN EXCUSE!**

A student may be suspended for the remainder of the semester and the succeeding semester if

the administration deems it advisable and in the best interest of the school as a whole. Suspended students may also lose certain school privileges including attendance at school sponsored events to include prom and graduation. Suspended students may have the right to appeal to the superintendent. Parents will be notified if a student is suspended. Students suspended for 1-5 days will be provided schoolwork. Students suspended for more than 5 days (other than weapons or drug related suspensions) will be provided an education plan. This plan will cover the subjects in which they are currently enrolled. Students are responsible for picking up their assignments.

STORM ALERT

Faculty, staff and students at the high school will go to the safe rooms or gymnasium. Teachers will escort their classes to their assigned areas in safe rooms or gymnasium dressing rooms while maintaining accountability.

FIRE ALERT

Students in the high school will evacuate the building according to the diagram posted in each room (i.e., nearest exit).

Teachers will take their classes at least one hundred feet from the building and call roll to insure student safety. Students not in their room (library, office, hall, etc.) should find their teacher upon evacuating the building.

EXTRACURRICULAR ACTIVITIES

In order for a student to compete with other schools in any extracurricular activities, he/she must meet and maintain eligibility requirements adopted by the Harrah Board of Education. Eligibility is defined as maintaining a minimum of 90% attendance and 60% grade average in enrolled classes. Any student who is ejected from a contest for poor sportsmanship or whose conduct is an embarrassment to the school will be immediately suspended from further participation until such time he/she is reinstated by the administration.

ACTIVITY TRIPS

Students will go and return in the school bus or school transportation provided. Special arrangements may be made in advance with the principal or sponsor for the students to return from the activity with their parents. School regulations are in force during such trips. Sponsors must turn in a list of all students attending the activity to the attendance office.

STUDENT COUNCIL

Officers and members of the student council will be elected according to the student council constitution. The council is the students' governing body. It deals with the assemblies, social activities, student behavior, and student welfare of Harrah High School.

Class sponsors will conduct class elections for class officers between May 1st and September 1st. Class sponsors will accept candidates for a one week period followed by one week of campaigning. Elections will be held on the Friday of the campaign week. Students may only run for one position. Votes will be tallied by the administration.

HARRAH HIGH SCHOOL QUEENS

The respective teams shall select the football, basketball, wrestling, band, and soccer queen candidates. One attendant from the 9th, 10th and 11th grade will be selected to attend and represent her

class. Three candidates from the 12th grade will be selected, and one of the three candidates will be selected as queen. The queen will be crowned at the "Homecoming" game designated on the schedule of each team.

Two weeks prior to homecoming, a meeting will be held in the principal's office with team members to nominate attendants and candidates. The queen will be determined by popular vote of the student body on the day of homecoming. All queens' and candidates' pictures will appear in the school yearbook. Once a student has served as queen during the school year, she is ineligible to serve as royalty at any other time during that year.

The prom king and queen candidates will be nominated by the junior class from the senior student body. A queen candidate is only eligible if she has not served as queen in another capacity during the school year. The winning couple will be chosen by popular vote from an election conducted within the senior student body.

Only the above-mentioned queens will be recognized in the yearbook as the official royalty of Harrah High School.

Request for changes to the above stated policy must be approved by the administration prior to the given ceremony.
