

**2020-2021 GENERAL SECTION HANDBOOK
HARRAH PUBLIC SCHOOLS**

FORWARD

Students old and new, we extend you a hearty welcome to Harrah Public Schools. This is your school handbook which has been prepared to acquaint you with the school and to guide you and new students as they enter our school. The sooner each of you become informed about our activities, traditions, customs and regulations, the happier and more successful you will be in our school. Assure yourself of making the most of your years in school by being familiar with the contents of your handbook. Parents, this handbook has been published for you as well as for your child. Its purpose is to provide you with information that may prove useful in understanding the policy of Harrah Schools. As a parent, it is important that you get an overview of your child's school and its activities. The contents of the handbook will answer many questions that may arise from time to time in the home and will increase your knowledge of the school program.

PHILOSOPHY

We, the staff, and Board of Harrah Public Schools believe that all students can learn. We, as a public school system, accept the responsibility to professionally guide the mental and physical development of every student. We believe our function is to assist in the acquisition of fundamental skills and knowledge that prepares each child for productive participation in our democratic society.

MISSION

Our mission is to assist in the acquisition of fundamental skills and knowledge that prepares each child for productive participation in our democratic society.

STUDENT OUTCOMES

Students will acquire knowledge in the arts, listening, speaking, reading, writing, mathematics, science, social science, and the use of technology. Students will apply the acquired knowledge to become productive citizens. Students will be self-directed learners who demonstrate personal, social, environmental and civic responsibilities.

STUDENT RESPONSIBILITIES

The following are responsibilities which students are expected to accept:

1. **QUALITY OF WORK:** Students must do their best each day and complete assigned lessons including homework and assignments missed because of absence.
2. **SCHOOL RULES:** Each student must conform to school rules and regulations and accept the leadership of teachers, school officials, and others who have been assigned leadership responsibility. Students must also conform to school rules at all times when they are on the way to and from school and at school activities at home or away.
3. **CARE OF SCHOOL PROPERTY:** A modern, fully-equipped school building designed for beauty and utility is a part of the heritage of the Harrah student body. It belongs to many generations and is not the sole property of any annual group of students. It is the privilege and obligation of every student to carefully use, preserve faithfully, and pass to future generations, the building, its grounds and its equipment, without blemish. Anyone who damages or defaces any school property will replace or pay for the property damaged or lost.

PARENT RESPONSIBILITIES

The ultimate responsibility for student behavior rests with the parents. The following are among their specific responsibilities:

1. Support the schools in requiring students to observe all school rules and regulations and accepting responsibility for any willful misbehavior on their part. Send students to school with proper attention having been given to health, personal cleanliness and appropriate dress.
2. Maintain an active interest in the student's work. Make it possible for them to complete assigned homework particularly by providing a quiet place and conditions for study.
3. Comply with the school's requests. This includes reading carefully all communications and signing and returning them as requested.
4. Ensure that your children attend school regularly without unnecessary absences and arrive at school punctually each day.
5. Cooperate with the school in attending conferences set up for planning for its continuous maintenance and improvement. It is the belief of the administration that the most effective discipline is self-discipline. Students in Harrah Public Schools are treated as young ladies and gentlemen who are expected to prove to be such by their actions and by their response to the school society.

TEACHER RESPONSIBILITIES

Every teacher is responsible for discipline at all times. Teachers have full authority and responsibility to correct student behavior whenever such correction is necessary. Disciplinary infractions of a serious nature may be referred to the Principal.

In cases where a student has been unable to adjust to his school environment and where his behavior has become so objectionable that the problem cannot be resolved otherwise, he will be referred to the Principal. Through conferences, every effort will be made to assist the student in overcoming this difficulty. Counselors and parents may be called in when it is felt that they can help the student become an acceptable member of the group. If all these efforts fail to obtain the desired results, the principal will make a final disposition of the case in line with the best interest of the individual student and the school as a whole.

ASBESTOS ABATEMENT

As a result of our asbestos removal program, we are happy to announce that all identifiable friable asbestos has been removed from the Harrah Public Schools buildings. There are some non-friable materials which have been determined or assumed to contain asbestos but pose no immediate health risks as long as they remain non-friable

In the interest of your future safety and in compliance with EPA and State Department of Health regulations, we will be monitoring all identified and assumed asbestos-containing building materials every six (6) months to verify that they have not become friable or damaged.

The AHERA Asbestos Management Plan for each Harrah school is available for viewing in the office of the Principal of that school and a master management plan for the entire Harrah School District is available for viewing in the office of the Superintendent. Should you have any questions please call the Asbestos Manager or the Superintendent at 405-347-2820.
