Introduction

Handbook Purpose

The purpose of the handbook is to acquaint you with general policies and procedures of the Hopkins County Schools that govern and affect your responsibilities as a coach.

Because this handbook is a general source of information, it is not intended to be, and should not be interpreted as, a contract. It is **not** an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern.

Some policies refer to specific forms that are available as part of the District's administrative procedures. It is the employee's responsibility to refer to the actual policies and/or administrative procedures for further information. Complete copies of those documents are available at the Central Office and in the Principal's office. Policies and procedures also are available on line via the District's web site or through this Internet address: <http://policy.ksba.org/h12/>. Any employee is free to review official policies and procedures and is expected to be familiar with those related to his/her job responsibilities. Employees and students who fail to comply with Board policies may be subject to disciplinary action. **01.5**

School council policies, which are also available from the Principal, may also apply in some instances. **02.4241**

In this handbook, **bolded policy codes** indicate related Board of Education policies. If an employee has questions, s/he should contact his/her immediate supervisor or any Central Office administrator.

This handbook is intended to be a tool to help implement local policies and procedures and guidelines established by the Kentucky High School Athletic Association (KHSAA) and other sport-specific governing bodies in the administration of student-athletics. For more detailed information about the KHSAA and the bylaws referenced in this handbook, please visit the following website:

District Mission

The mission of Hopkins County Schools: Unite as one team to learn and inspire.

The vision of Hopkins County Schools: Preparing today's students to succeed in tomorrow's world.

Athletic Program Philosophy

To promote safety, fairness and good sportsmanship at all levels of the District athletic program, coaches shall implement relevant policies and procedures of the Hopkins County Board of Education, the SBDM council and the Kentucky High School Athletic Association (KHSAA).

It is the intent of the Board of Education that students participate in as many athletic activities for which they are eligible and their parents wish. To this end, coaches shall strongly encourage students to participate in all sanctioned sports programs offered by the school. It shall be the responsibility of all coaches to follow these guidelines:

- If student-athletes quit when faced with a possible suspension from eligibility or are removed from an activity for disciplinary reasons, they shall be ineligible to compete in another sport for the period of the disciplinary sanction imposed or for the period the sanction would have been imposed had s/he not quit.
- Student-athletes may participate in more than one (1) sport or sport activity during the same season, if both coaches are able to coordinate a student's schedule.

Cutting of Participants

The coaching staff of each individual sport shall establish the process for deciding whether athletes will be "cut" during a tryout period during which the final composition of a team will be determined. If a coaching staff determines that "cuts" are necessary, they shall discuss with all athletes attending the tryouts the criteria to be used to evaluate the athletes during the tryout period. This procedure shall also describe the notification process that will be used to inform all athletes of their status following the tryout period. The coaching staff must make every effort to ensure that all athletes attending the tryouts clearly understand the criteria to be used to evaluate them.

The notification procedures used by the coaching staff should, if feasible, include individual conferences with each athlete that does not make the final team. These conferences shall include feedback to the athletes on the areas where they might improve athletically and always ensure the dignity and growth of the individual student.

Conduct of Program

All interscholastic and intramural athletic competition shall be in compliance with the constitution, bylaws, and competition rules of the Kentucky High School Athletic Association (KHSAA) and Title IX requirements. As a condition to KHSAA membership, each member school and Superintendent shall annually submit a written certification of compliance with 20 USC Section 1681 (Title IX).

Coaches shall abide by:

- Policies adopted by the school council relating to evaluation of the athletic program that address program equity for both male and female athletics.
- Program implementation requirements developed by Superintendent/designee to promote compliance with Title IX requirements.
- Rules and limitations established by 702 KAR 7:065 and the local Board for students participating in middle school sports and sport activities. **09.31**

STUDENTS FIRST, ATHLETES SECOND

KHSAA Imposition of Penalties

If KHSAA rules and regulations are violated, penalties may be imposed on the school or individual within the defined parameters of Bylaw 27, the KHSAA Due Process Procedures. The Principal shall be responsible for oversight of the school's athletic program to see that it remains compliant with KHSAA rules.

Please refer to KHSAA Bylaw 27.

Middle School Applicability

Per 702 KAR 7:065, the KHSAA has responsibility for the regulation of athletics at the Middle School level. An Advisory Committee will set any statewide regulations, with approval from the Kentucky Board of Education and the Kentucky General Assembly through 702 KAR 7:065. This regulation sets very few statewide rules, but requires the establishment of many rules at the local level. Though there is not "membership" for middle schools in KHSAA at this time, the governance model requires local Boards of Education to ensure enforcement of a variety of restrictions, most of which are related solely to the health and safety of the student-athlete and to maintain the proper perspective for interscholastic athletics within the education model.

Future Changes

Although every effort will be made to update the handbook on a timely basis, the Hopkins County Schools reserve the right, and have the sole discretion, to change any policies, procedures, benefits, and terms of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The District reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.

If the message is received on Friday or the day before a break in the school calendar, every reasonable effort shall be made to respond that day, but certainly no later than the next school day.

Scheduling

Coaches shall adhere to the following scheduling guidelines, unless circumstances dictate otherwise, in which case they shall confer with the Principal.

Scheduling of athletic competitions and sport activities shall be approved in advance by the Principal and meet all applicable conference, district or regional requirements in keeping with KHSAA rules and regulations. **09.31**

- b. Occur during professional development activities
- c. Coincide with religious observances and/or times of worship.

All other pupils shall be classified as nonresidents for school purposes. **09.12**

Student Transfers

Any domestic student who has been enrolled in grades nine (9) through twelve (12) and has participated in any varsity contest in any sport at any school, while maintaining permanent residence in the United States or a United States territory following enrollment in grade nine (9) and who then transfers schools, shall be ineligible for interscholastic athletics at the varsity (first team) level in that sport for a period of one (1) year from the date of last participation.

The period of ineligibility may be waived in the event of a dissolution of marriage (i.e. a final and legally binding divorce decree from a court of competent jurisdiction) or properly recorded legal separation (i.e. a legally binding separation decree from a court of competent jurisdiction) of the parents and a change in the residence of the student pursuant to a court order granting custody of the child to one of the parents with whom the student shall reside. The grant of this waiver shall only apply to the member school in the school district in which the residence of the custodial parent is located.

The period of ineligibility may be waived in the event that the transferring student did not participate in an interscholastic contest at any level in any sport while enrolled in grades nine (9) through twelve (12) during the previous calendar year.

Foreign students (non-domestic) attending high school in Kentucky shall be considered ineligible for the first calendar year following enrollment. Foreign students who have been ineligible for an entire calendar year after being enrolled in a high school in Kentucky become eligible to represent that school immediately following the conclusion of the one (1)-year period. The period of ineligibility may be waived if the entire family unit is relocating from a foreign country or if the members of a family from a foreign country are relocating due to a declaration of asylum or seeking refuge due to acknowledged conflict.

Foreign exchange students attending school in Kentucky shall be considered ineligible for the first calendar year following enrollment. The period of ineligibility may be waived if the student is placed in a KHSAA member school under the auspices of approved J-1 or F-1 student exchange program that is on the approved listing of Council on Standards for International Exchange Travel (CSIET). In addition, a waiver may be made in other circumstances approved by the Board of Control within the KHSAA Due Process Procedure.

KHSAA Bylaws 6, 7 and 8 contain other specifics and questions should be referred to your Principal or Athletic Director.

Code of Ethics for Coaches

The function of a coach is to educate students through participation in interscholastic competition. An interscholastic program should be designed to enhance academic achievement and should never interfere with opportunities for academic success. Each student-athlete should be treated as though he or she were the coaches' own, and his or her welfare should be uppermost at all times. Accordingly, the following guidelines for coaches have been adopted by the NFCA Board of Directors.

- The coach shall be aware that he or she has a tremendous influence, for either good or ill, on the education of the student-athlete and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.
