Classroom Notes

We are finishing the year strong! Remember to provide books for your child to read for AR. The cut off date is Friday, May 10th. The goal is 20 points.

We did our "egg drop" today while Mr. Howl climbed on top of the school roof to drop each egg apparatus. Some eggs survived, while others crashed. Ask your child about it....

Our last day of school will be May 21. Happy summer! We've had a great year!

May 10 is the AR cut off date for your child to make their AR goal of 20 points.

May 21 is our last day of school.
