

2013-2014 Parent Signature Pages

Dear Parent or Guardian:

Success of the De Queen School District requires a cooperative effort among school staff, students, parents, and member of the community. The handbook you received today is to be utilized by those in your home to access information about our schools. Please take the time to familiarize yourself with the contents of this handbook. It can also be accessed on the district's website.

In an effort to further the knowledge and understanding of the efforts of De Queen Schools, we present this handbook, a collection of pertinent information about De Queen Schools. This handbook is a reflection of the district policy manual, a complete copy of which is available in the Office of the Superintendent and on the district's website.

We ask that you keep the handbook for future reference and return this page with your signature to indicate that you have received your copy. To aid the school in preventing duplications, please list all your children's names and grade levels on the lines provided below.

Sincerely,

Bruce Hill
