**Safety and Security
Audit**

At least once every three years, each district shall conduct a safety and security audit of the district's facilities. A district, or a person included in the registry of persons providing school safety or security consulting services established by the Texas School Safety Center (TxSSC) who is engaged by the district to conduct a safety and security audit, shall follow safety and security audit procedures developed by the TxSSC in coordination with the commissioner of education.

A district must confirm that a person is included in the registry before the district may engage the person to provide school safety or security consulting services to the district.

In a district's safety and security audit, the district must certify that the district used the funds provided through the school safety allotment only for the purposes provided by Education Code 48.115.

A district shall report the results of the safety and security audit to the board and, in the manner required by the TxSSC, to the TxSSC. The report provided to the TxSSC must be signed by the board and the superintendent.

Education Code 37.108(b), (b-1), (c), 37.2091(b-1)

In addition to a review of a district's multihazard emergency operations plan under Education Code 37.2071 [see CKC], the TxSSC may require a district to submit its plan for immediate review if the district's audit results indicate that the district is not complying with applicable standards. *Education Code 37.207(c)*

**Failure to Report
Audit Results**

If a district fails to report the results of its audit, the TxSSC shall provide the district with written notice that the district has failed to report its audit results and must immediately report the results to the center.

If three months after the date of the initial notification the district has still not reported the results of its audit to the TxSSC, the TxSSC shall notify the Texas Education Agency (TEA) and the district of the district's requirement to conduct a public hearing under Education Code 37.1081. [See CKC]
