Public Information

See GB(LEGAL) for the definition of public information.

Availability of Public Information

Public information is available to the public at a minimum during the normal business hours of a district. Government Code Chapter 552 (Public Information Act [PIA]) does not authorize the withholding of public information or limit the availability of public information to the public, except as expressly provided by the PIA. *Gov't Code 552.006, .021*

Special Rights of Access

A district may not deny this access on the grounds that the information is considered confidential by privacy principles under the Public Information Act but may assert as grounds for denial other provisions of the PIA or other law not intended to protect the person's privacy interests. Access to information under this provision shall be provided in the manner prescribed by Government Code 552.229 (consent to release) and 552.307 (timely release), below. *Gov't Code 552.023(a), (b), (e)*

Board Members

For information on board members' special access rights to district information, see BBE.

For information on parents' special access rights to their child's education records, see FL.

The following categories of information are public information and not excepted from required disclosure unless made confidential under the Public Information Act or other law:

2. The name, sex, ethnicity, salary, title, and dates of employment of each employee and officer of a district.
3. Information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a board.
