### **INTERDISTRICT ATTENDANCE**

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district. Student transfers into and out of the district shall be in accordance with law and as specified in this policy and accompanying administrative regulation.

#### **Interdistrict Attendance Agreements and Permits**

The district may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of either district. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. Additionally, it may contain standards agreed upon by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

When the request of a student seeking to transfer out of the district or an individual permit verifying another district's approval for its student to transfer into the district, is received the Superintendent or designee shall review, and approve or deny the request or permit based on the terms and conditions of the interdistrict attendance agreement.

#### **Transportation**

Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced-price meals and is the child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600. (Education Code 46600)

Additionally, upon request of a student's parent/guardian, the Superintendent or designee may authorize transportation for any interdistrict transfer student to and from designated bus stops within the attendance area of the school that the student attends, if space is available.
