

Instruction**AR 6146.2 (a)****CERTIFICATE OF PROFICIENCY/HIGH SCHOOL EQUIVALENCY****Certificate of Proficiency**

The principal of each high school shall distribute to each student in grades 11-12 an announcement explaining the California Proficiency Program (CPP). Announcements from the California Department of Education (CDE) or its contractor shall be distributed early enough to enable interested students to register for the test to be given in the fall of that year. (5 CCR 11523)

Additionally, students may be advised that the certificate of proficiency awarded upon passing the CPP is equivalent to a high school diploma. However, once the student has taken the CPP, passed the language arts and mathematics subtests and exited high school, they may choose to take the remaining High School Equivalency Test (HiSET)-Equivalency subtests in science and social studies to earn their California High School Equivalency Certificate, which provides more opportunities than the certificate of proficiency does alone.

A student may take the CPP if the student meets one of the following conditions: (Education Code 48412)

1. Is age 16 or older
2. Has been enrolled in the 10th grade for one school year or longer
3. Will complete one school year of enrollment in 10th grade at the end of the semester during which the next CPP will be administered

If a student receives the certificate of proficiency, the district shall indicate the student's accomplishment and the date of the award on the student's official transcript. (5 CCR 11521)

Any student who has received the certificate of proficiency may be exempted from compulsory school attendance upon the student's request, with verified parent/guardian consent as appropriate. For this purpose, the Superintendent or designee shall provide a consent form which contains at least the following information: (Education Code 48410; 5 CCR 11522)

1. A general explanation of the student's rights of exemption from compulsory attendance and of re-enrollment in the public high schools
2. The date of issuance of the certificate of proficiency

Instruction**AR 6146.2 (b)****CERTIFICATE OF PROFICIENCY/HIGH SCHOOL EQUIVALENCY**

3. The signature of the parent/guardian and the date
4. The signature of the school administrator who has personally confirmed the authenticity of the parent/guardian's signature and the date

Any student, 16- or 17-years of age, who terminates enrollment after receiving the certificate of proficiency re-enroll in the district. If enrollment is subsequently terminated again, the student may be denied re-enrollment until the beginning of the following semester. (Education Code 48414)
