### *Registered Sex Offender Procedure*

All registered sex offenders will check in through the office and receive a visitor's badge. The principal will be made aware of their check-in and will ensure the SO will be monitored appropriately. The SO will be shadowed by Ector ISD staff the entire duration of their visit.

### *Bullying Procedure*

A link will be created on the Ector ISD website that will direct all stakeholders to a Bully Incident Report form. The concerned stakeholders can then fill out this form and submit it to the appropriate office to be handled by the principal. The form can be submitted by email, fax, US mail or by dropping it off by the administration office. The person reporting the incident shall remain anonymous if they so choose. We ask that they fill out the form with as much information they can provide so that the situation will be handled appropriately.
