Dear Parents,

Thursday night December 12, 2019 the Ector ISD School Board adopted a new school policy which bans students from possessing a cell phone at school. Please review this policy with your child and make sure that they understand it.

POLICY FOR STUDENT CELL PHONE USE

As of January 1, 2020, students will not be allowed to possess a cell phone on school grounds during school hours (6:30am-3:30pm).

Students in possession of a cell phone on school grounds must turn them into the appropriate office immediately upon arriving at school. The cell phone can be picked up when school is dismissed, and student will not be penalized.

If a student is caught in possession of a cell phone during school hours, the cell phone will be confiscated and turned into the appropriate office. The student will be able to pick the cell phone up after school is dismissed. After the third time and thereafter, when a student's cell phone is confiscated during school hours, parent/guardian will be required to pick up the cell phone from the appropriate office and the student will be disciplined according to the student code of conduct.

Students who ride the school bus to/from school or participate in after extra-curricular events, can bring cell phone to school and turn into the appropriate office immediately upon arrival at school. The cell phone will be available for the students to pick up when they are dismissed for bus or extra-curricular event.

If a parent needs to contact their child, they may call the appropriate office.
