

Dear Parents and Caregivers,

Lindenhurst School District large buses are now equipped with cutting-edge GPS technology called WheresTheBus™ that lets you know precisely when your child's bus will arrive at your bus stop. This application is free and will provide up-to-the-minute bus arrival time and location information for all Lindenhurst school buses. By using the WheresTheBus™ app, you will be able to wait for the bus in the comfort of your own home and eliminate the stress of rushing to the bus stop unnecessarily.

The WheresTheBus™ application is simple to set up and takes less than 5 minutes:

1. Download the WheresTheBus™ app from the App Store (iOS / Apple) or Google Play Store (Android).
2. You will be prompted to create an account.
3. Select Lindenhurst from the dropdown menu and provide your student's information.
4. Once your student's information is verified, your account will be active.
5. Log in to the app from any Internet enabled device (smartphone, tablet, PC, iPod) and access real-time bus information for your student(s).
