ANGEL TREE SERVICE PROJECT

December 2017

Sign up for the student you are going to bless this Christmas –

we need 4 or 5 NHS members per child

Below is the information for 4 Angel Tree children in our school district – 2 boys and 2 girls. These are students who are in need and we can do something about it to make their Christmas better.

The counselors have asked that we please provide at the minimum:

a shirt, pants, shoes, and a fun item as their gifts

Try to think of what YOU would like if you were their age.

Date to return the items gift wrapped for NHS is Wednesday, December 13. Put the student number on your package. We will have a meeting that day.
