

Graduation 19-20
July 17 2020 at 7:00 pm

We are excited to be able to have graduation!
Please read the following so that you will know what to expect.

Graduation Practice is at 9:00AM on July 17th and will last as long as it takes. Only students and faculty who are participating in graduation ceremonies will be allowed to enter for graduation practice.

- All Graduates need to call (870-437-2220) or e-mail (lsavage@alpenaleopards.org) Mrs. Savage by Thursday of this week (7/9/2020) and let her know whether or not you are planning to come to practice and graduation. We cannot figure seating without this number.
- Seating will be limited. Each graduate will receive a certain number of tickets. The number will be released by the end of the day next Monday on this Facebook Group.
- Graduates will sit on the gym floor with 6 ft separating chairs. In the bleachers every other row will be marked off. Of the remaining seating we are required to keep 6 feet between family groups. Graduates will be given a certain number of tickets limiting attendance. This seating will be assigned and a map of seating will be made available so that you can find your student's seating area.
- CDC PPE and social distancing guidelines will be followed. All attendees and participants are expected to bring their own face coverings and wear them from exiting their vehicle until re-entering it at the end of the night.
- Persons 10 years and older will not be allowed entry without face coverings. Persons under the age of 10 are not required to wear face coverings.
- Entry will be through the west facing door at the top of the gym. [Signs](#) will be posted warning that persons who have shown signs of illness or have traveled to hotspots in the past two weeks to voluntarily not enter the building. Further each person entering the gym will be screened for temp and will be required to wear a face covering for the duration of their time on campus. After the ceremony all entry/exit points will be in use as exits. All participants and attendees will be required to maintain proper social distancing for the duration of their campus attendance.

- The gym will be treated both before and after the event. Hand sanitizer will be available at the entrance and all three exits.
- Congregating on campus is not allowed either before or after the event.
- Refreshments will not be served. We are foregoing our annual “senior breakfast” on graduation practice morning. We will practice the morning of graduation following all PPE and social distancing guidelines.
