TIPS FOR CREATING AND SUBMITTING ADS FOR THE SHRHS BOOSTER CLUB FOOTBALL PROGRAM:

1. **Prepare the ad in black and white:** The SHR Football Program is entirely black and white. The ad will look better if it is submitted in black and white. If you submit an ad in color, it may not come out exactly as intended in black and white.
2. **Keep the ad simple:** Too much information or too many pictures will look cluttered or too small to see in the program.
3. **Prepare the ad to the size and orientation desired:** All pages in the football program are 8.5 x 11. All pages are setup in Portrait orientation (up and down), so half page ads should be either the top or bottom half of a page. Quarter page ads run portrait. Eighth page ads are landscape in the shape and size of a business card.
4. **If possible, prepare the ad in digital format:** Digital ads are the easiest form of submission. Advertisements may be submitted in a variety of formats including Microsoft Word, Power Point or Publisher. If the file gets too large to email, try saving it in .pdf, .bmp. or .jpg format. This will create a smaller file that is easily e-mailed. If you do not have any of these capabilities, you may send your advertisement to Football Booster Club and we will convert the files for you.
