

Dear Parents,

The fifth grade class will have two parties this year. All of the parties will begin at 2:45. There are 27 students in our class. (11 boys and 16 girls) Below is a list of dates and parents helping with the parties. Please remember that all food and drinks must be pre-packaged or store bought. I don't sign parents up to bring items for the party, so if you have a chance, please visit with the other parents about what you would like to bring. If this is not a convenient time, let me know, and we can make other arrangements.

Thank You,
Mrs. Teel
