EDUHERO

We will be using EduHero for staff development trainings for the 2020-2021 school year.

You now have access to interactive, on-demand, professional development courses in Eduhero. These courses can be taken anywhere internet is available, and carry actual CPE credits. Once you register you can start taking courses. Please carefully read and follow the directions below:

1. **Register:** Go to www.eduhero.net to register-*must use district email*
 2. **Verify:** Check your email and verify account (check junk mail)
 3. **Learn:** Login and follow the attached instructions to begin
- Please note: during your initial login you are required to select your district and password retrieval question, all other options may be skipped.
 - Course progress, district plans, and certificates are under the "Learning" tab
 - See Attached Document to begin your training
