

# Crockett High School Academic Services

## Financial Aid Agreement

Crockett Independent School District will be offering financial assistance to your student while attending Angelina College. The district will pay for the course(s), providing the following qualifications are met:

1. The student must pass the class(es) with a 70 or above.
2. The student must adhere to the dual credit attendance policy as stated:
  - a. Face to Face or DL – no more than 2 days in a row or 4 days per semester
  - b. Online – students must follow the attendance policy of CHS as outlined in the student handbook.

(see attendance section of dual credit policy)

Not passing a class or being dropped for nonattendance will result in the student not being able to enroll in college classes for the next semester. If a student fails 2 semesters, he/she will not be allowed to enroll in the dual credit program. Additionally, failure of a class will result in the loss of future financial aid.

---

\_\_\_\_\_ I have read and understand the financial assistance of Crockett ISD and fully understand if my child fails a semester he/she forfeits the ability to enroll for 1 semester. This will result in my child forfeiting financial assistance for the remainder of my child's high school career.

I acknowledge and understand the terms in receiving financial assistance from Crockett ISD.
