The Kingston New Year's Classic will go on as planned with modifications. In order to align with Governor Stitt's executive order, each player will receive four tickets to get into the gym. There will be a limited number of tickets available for our sponsors. All sponsors will get the same amount of advertising as before. Due to the rising numbers of COVID, we will not be having the hospitality room. If the tournament is cancelled, sponsors can either get a refund or choose to let sponsorship rollover for next year's tournament.

All games will be livestreamed. The livestream link can be found on the Kingston School website. We are looking forward to a fun tournament and watching our students compete. Thank you for supporting the Kingston NYC.
