Peavy Primary invites fathers, grandfathers, uncles, or other father figures to volunteer at least one full day at their child's/student's school during the school year. You may sign up at the front office.

## Coins for Kids

April is “Child Abuse Awareness” month!

During the first three weeks of April, classes will be collecting money for the “rainbow room” in Lufkin. Kids can bring cash and we are encouraging COINS! Almost everyone has some extra coins they aren’t using. This is a great way for kids to see that when everyone brings just a little, it adds up to a lot! Student’s will be collecting money in their classroom **April 2<sup>nd</sup> through the 20<sup>th</sup>**!
