Beginning this year, Orange County Elections (OCE) and all of the entities who contract with them (including LCM), will conduct their elections using the ExpressVote Voting System. Instead of paper ballots, machines will be available at all Orange County polling locations for voters to vote electronically. **Paper ballots will only be available to voters who request a ballot by mail.**

OCE will be conducting walk-in demonstrations of their ExpressVote Voting System Machines at the Orange Public Library **today** from 1:30-4:30, and on March 14<sup>th</sup> at 7:00 p.m at the Vidor City Hall. The public is welcome. Once it is available, we will post a link to a video demonstration of the machines on the LCM Facebook page.
