Enduring Hurricane Harvey has been extremely difficult for all. Our hearts go out to each of you and we pray for peace, patience, strength, and a complete recovery to benefit you and our community.

Due to the broad, extensive damage by Harvey, LCM will remain closed until further notice. A re-evaluation will occur at the end of next week (Sept. 7 or 8) to determine a possible start date. Stay safe and continue to assist one another in this time of restoration.

Best regards,

Pauline Hargrove, Ed.D.
