

With shared funding from the state legislature, the Texas State Library and Archives Commission (TSLAC) offers online resources for students in Texas public and charter schools. Access to age-appropriate resources is determined by individual campuses and is username and password protected. – **TexQuest**

Why use LCM's TexQuest Digital Resources?

- Access to quality online educational resources 24/7
- Resources are school safe and copyright compliant
- Alignment to state curriculum standards to support student achievement
- Safe and appropriate content for all grade levels
- Articles translate into multiple languages
- Accessibility: digital read aloud with enhanced text visibility
