Dear Parent or Guardian:

RE: *Free Breakfast and Lunch 2018-2019 School Year*

Little Cypress-Mauriceville CISD is pleased to inform you that your child will be participating in a new option available to schools as part of the National School Lunch and School Breakfast program called the Community Eligibility Provision (CEP) for the School Year 2018-2019.

The Community Eligibility Provision allows ALL students enrolled at our school to receive a healthy breakfast and lunch at No Charge to your household each day of the 2018-2019 school year.

We ask that you participate in the program by filling out and signing the Community Eligibility PIEM Income Survey. The survey will not be used to determine eligibility for participation in the National School Lunch and School Breakfast Program. However, accurate information from this survey allows our schools to benefit from various State and Federal supplemental programs. This survey is critical in determining the amount of money the school receives from a variety of supplemental programs. We are asking that you please complete and submit as soon as possible.

All information on the survey is confidential. Without your assistance, the schools cannot maximize utilization of available State and Federal funds. Information from this income survey will also be used to determine whether your child will/will not be eligible for additional supplemental financial assistance such as grants, fee waivers, and scholarships.

Sincerely;

**Suzanne Magee**
