

August Roundup

Over 400 people attended Freshman Parent Night on August 3rd. Information was shared by the administration, spirit shirts were given to students, and dinner was provided to all in attendance.

We are extremely happy to announce that our student enrollment is around 1,150. This is a significant increase from the past few years. We love that families enroll their students at Cortez, where we have been ranked among the best high schools in the nation. Thank you for trusting us with your teen and their high school experience.

Many students were present for our Club Rush event on August 9th from 7:45-8:45 in the gymnasium. Students were seen visiting sports and club tables to get information and sign up to participate. We expect all students to get involved in an extracurricular activity and we have more than 40 to choose from.

Fall sports teams are doing well! Cross Country runners can be seen running around the community during their practices and swimmers can be seen practicing at Cortez Park. Badminton has played two matches and volleyball will have their first games this Wednesday. Our golf team won their first match against Glendale High School last Thursday. Lastly, our home football opener was a huge success. The cheerleaders performed and the band was in the stands playing throughout the game. The Varsity team won 48-6 against Coronado. The next home football game will be Friday, September 8th. We will have a ribbon cutting ceremony for our new turf field.

Please mark your calendars for Open House, September 11th at 6:00 pm. starting in the auditorium.

Attending school regularly is crucial for academic success! Every day counts, so make sure your teen is present and on time!
