Welcome Back

On behalf of the entire Douglass School Community we are happy to welcome you back to a new school year. The school year brings several new and exciting additions to the district and the community of Douglass. In this addition you will be introduced to the new faces that are joining our outstanding staff. You will also find information about joining organizations and pertinent information about each of our school buildings. Speaking of new and exciting offerings for our students the district is providing new meal offerings this year. The school district has chosen the OPAA! Food Management company to manage our food service program.

The change to OPAA! has been well received and the students have raved about the quality of food. The students have three menu choices every day for lunch. Students have their choice of two entrées and a salad offering each day. The food is made from scratch and our kids receive healthier menu offerings. "Fresh Fruit and Vegetables" are offered each day. As a parent you can keep up with the menus with a mobile app. Using a mobile device, click or type this link www.menus.opaafood.com into your mobile device browser.

Patrons will also see a new web page at www.usd396.net this new page is a work in progress as teachers and staff are busy building their new pages. Over the course of the next several weeks you will see this page develop and district patrons will be able to access more information than ever before. There are two immediate enhancements that we encourage you explore and utilize. The first enhancement is the E-Note Sign Up that will give you the ability to customize an electronic notification based on your individual and family needs. This function is utilized by signing up on our web page and you will be able to receive notifications on your smart phone. The second enhancement is the calendar option. The district has one calendar for all events in the district. The calendar link is located on the left side of the home page, by clicking the calendar option under quick links users can access the district calendar and also utilize the notify me option as well as the subscribe option. These features will give you instant notification when scheduling and event changes are made. The district will continue to make information more available by utilizing the functions of our new web page.

The Douglass School District is proud to serve the Community of Douglass by Challenging, Caring and preparing very student every day. We are Family, We are Community, We are Bulldogs!

Seal Elementary Family Ice Cream Social

The Seal Elementary PTO will again be sponsoring the Family Ice Cream Social on Monday, September 15th from 6:30 p.m. – 7:30 p.m.. We invite families to join us on the tennis courts, eat ice cream and have time to socialize. Teachers will be at the social to visit with families about the beginning of our school year. Ice cream will be served from the cafeteria. We hope to see you there!

Friday Morning Latchkey Program

Parents needing babysitting services for Friday Late Starts – you are in luck! Seal Elementary provides Friday morning latchkey services for K-5 students from 7:30 am – 8:35 am. Latchkey is held in the computer lab, and it is monitored by Mrs. Woydziak and Mrs. Metsker. The cost of the program is \$1.00 per student. At 8:35 students will be dismissed for breakfast to the gym/tennis courts.

Calling All Kindergarten Grandparents

Grandparents of Seal Elementary Kindergarten are invited to the classroom on Friday, September 5th at 2:45 p.m.. We have something special to share!

New Faces

Tyler Kemp-

From: Connersville, Indiana

Graduated Connersville Sr. High School in 2008

Attended Wichita State University starting in 2008.

Graduated from WSU in 2013 with a degree in Music Education.

Originally came to Wichita on a bowling scholarship.

My high school had the first ever public high school marching band that started in 1905.

Played in WSU concert band for 2 years. WSU symphonic wind ensemble for 3 years. WSU pit orchestra for 1 year. WSU orchestra for one semester. WSU pep band for 5 years. Played in Madison Square Garden with the pep band and Carnegie Hall with the WSU Symphonic Wind Ensemble in 2011.

I have fifteen 300 games and two 800 series for bowling.

***I like spaghetti, pizza, sushi, and cheeseburgers.

This hometown girl is coming home! Eighteen years ago I started my educational career in Douglass teaching 5th grade at Seal Elementary. I left in 2004 to pursue an opportunity to be a curriculum writer and train teachers for summer school and after school programs. In 2006 I went to work for Wichita Public Schools. I taught third grade for two years then ventured over into another training position with the district. I was a MTSS Facilitator for six years. During that time I provided professional development to teachers to help them stay up on the current trends and standards in teaching. Returning to the classroom will give me the chance to apply all of the great strategies I have been sharing with teachers over the last several years. I knew it was time for me to go back into the classroom and I knew Douglass was the place to be. It is good to be back home!

ELEMENTARY SCHOOL NEWS

Seal Elementary Welcomes Four New Staff Members

Janet Brown –

Interrelated Special Education Teacher

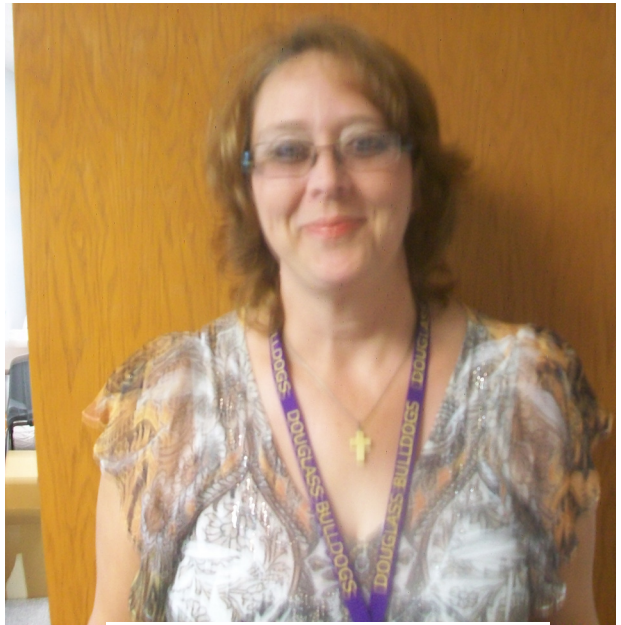

Janet Brown is our new Resource Teacher through the new Butler County Special Education Interlocal. She completed her special education coursework through Southwestern College in Winfield. She has been in early childhood, functional and inter-related classrooms in Andover, Circle and El Dorado and previously has worked at Seal Elementary as a long term substitute for the Interlocal. For the past three years, she was a 6th grade Resource Teacher at El Dorado Middle School.

Janet is married to Kirk Brown, has a son in 8th grade and two adult married stepdaughters. She also has two grandchildren. Janet is thrilled to be a part of the Douglass educational family, community and to be a Bulldog!

Ann Mitchell –

Speech & Language Pathologist

My name is Ann Mitchell. I live in Howard, Kansas and drive daily to Douglass and back. I have been a speech-language pathologist for a few years now and love my job! My husband's name is Mike and we have three children; Michael (23), Wyatt (18-Senior), and Jewel (13 – Eighth grade). I enjoy reading, playing games on my iPad and spending time with my family and friends. I am very excited to be joining the Douglass Bulldog staff!

ELEMENTARY SCHOOL NEWS

Ashlee Perkins –

Pre-Kindergarten Teacher

Wow! Can you believe it is time for a new school year already? Some of you may recognize me and to some of you I am a new face. My name is Ashlee Perkins and I am so proud to be a Douglass Bulldog again! This time twenty years ago I was enrolled for my first year at Leonard C. Seal Elementary School in Kindergarten. I graduated from Douglass High School in 2007 and went on to graduate from Emporia State University in 2011 with my Bachelors of Science in Education. After graduation I accepted my first teaching position with USD 310, which is west of Hutchinson. I taught first grade there for two years. I decided after those two years I wanted to move back home and pursue my dreams of one day becoming a teacher in my hometown. I had so many teachers that inspired me growing up, and I would like to be the reason one of my students wants to become a teacher; just like they were to me. I will be teaching the Pre –Kindergarten class this year as well as going back to Emporia State University to get my Masters in Early Childhood Unified. I am so excited for this school year and hope it is a great one for everyone. It is kind of surreal being able to teach here alongside some of my childhood teachers.

Go Douglass Bulldogs!

Brittni Sills –

School Social Worker

I am Brittni Sills your new School Social Worker. I will be taking Shawna Goodwin's position at the elementary school. I am very excited to be part of this district and to be working with the staff and students here.

I am originally from Southern Illinois where I graduated with my master's degree in School Social Work from SIUC. I gained some experience at a local preparatory school and then at a special education cooperative there. Once I moved to Douglass about 5 years ago, I began working with Butler County Special Education. I was there for 4 years.

I am married to Michael Sills and we have a handsome little boy, Decklin, and a little girl on the way, Myka. I enjoy being around our family and friends and when the weather is nice, going horseback riding.

ELEMENTARY SCHOOL NEWS

Seal Elementary PTO Welcome!

Welcome back to school Bulldogs!

We are excited about the upcoming year and have a lot of PTO related activities planned. As Michelle Leeper and I are still learning the ropes, you may see some changes to the way all things PTO are handled, but please be patient with us as we figure this beast out. Here are some highlights of what to look for in the next year and more specifically the next month!

- Monthly PTO meetings – Typically the first Monday of the month at 6:00pm in the elementary library (daycare is provided). **Note* September meeting is on a Tuesday!!! (Sept 2, 2014, same time and place)**
- We have created a PTO facebook page (**Leonard Seal Pto**). Check us out for pertinent info on upcoming events etc...
- We would like to send reminder emails/texts on upcoming events to encourage participation. Contact the school office and let them know if you like to be placed on our 'mailing' list please.
- Increased emphasis on our most simple fundraiser – **box tops and labels**! This is a great, easy and relatively painless way for us to try to raise funds for our PTO and school. Please remember to save those box tops/labels and send them school with your kiddo. Ask your friends, family and co-workers to save them for our school too! Look for more information on this to come home with student soon!
- Emphasis on recruiting new volunteers to help at one event per year. It takes the burden off of the few that help with most everything and follows the train of thought that if everyone will just help a little, no one has to do everything! You may have seen the volunteer sign up list for upcoming events we had at enrollment. We were able to get many of the slots filled but still have a few remaining, specifically for the Muffins with Mom event to be held Feb 26, 2015, so Dads if you are reading this, feel free to step up and **volunteer!** ☺ As the year goes on, I am sure more opportunities will arise. Please contact me, any other PTO officer or the school office if you are interested in volunteering at any PTO events.
- As you may or may not be aware, the PTO gets and often approves funding requests for specific school equipment needs. Last year we used PTO funds to purchase a laminator, iPad cases and a yearbook camera, just to name a few. This year we would like to help purchase a **Smartboard for Mrs. Woody** to use in music class. This particular piece of equipment would benefit every student at Seal. We plan to use profit from our **fall fundraiser** to help fund this purchase, so keep this in mind as you consider the fall fundraising effort. The Smartboards are not cheap and most likely our students would not have the opportunity to use something like this if not for help from organizations like our PTO, so thank you in advance for helping us try to make this a reality!
- Ice Cream Social – September 15, 2014, 6:30-7:30pm – please come join us for a tasty treat and some good old fashioned fun with your student!
- Fall Fundraiser Deadline – September 17, 2014 – Don't forget to get those packets turned in!
- Upcoming PTO meetings – September 2, 2014 and October 6, 2014 – 6:00-7:00pm at elementary library (daycare provided)

Thanks for all you do for YOUR student, teachers and OUR school. Let's make it a great year Bulldogs!

MIDDLE SCHOOL NEWS

Transitioning to the Middle School

Students entering middle school are experiencing a tremendous amount of change. Just a few months ago, they had only one or two teachers. Now they may have seven or eight. Their bodies are growing and developing every day. Added to the equation are the hormones and emotions that accompany the physical changes. This all can create the perfect storm for unrest at home and at school. Although they are beginning to look like adults, middle school students still need parental and adult guidance and assistance. Here are a few tips for parents and caregivers as they navigate the middle school years.

Require an Assignment Notebook

Many schools give students an assignment notebook or planner at the beginning of the school year. Parents can require their student to record all homework assignments in the planner and then check it. If the school does not provide one, create your own.

Read Course Syllabi

Parents should read each course syllabus. This will provide you with information about classroom policies and expectations and will provide a timeline for major projects and assignments.

Check Homework

Parents should check to see that homework assignments are being completed in a timely fashion. If students would spend a little time every day on each class, that will save a great deal of stress and time the night before an assignment is due.

Designate a Study Time and Place

Work with your student to pick a time and place where school work should be completed each day. If students do not have a homework assignment, they should read. Study areas should be as free from distractions as possible and should have available a study survival kit.

Create a Study Survival Kit

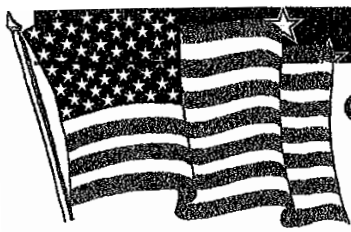

This kit should contain pens, pencils, paper scissors, and any other supplies necessary for completing assignments. Having all of these materials in one place will keep students from wasting time looking for them.

Communicate, Communicate, Communicate

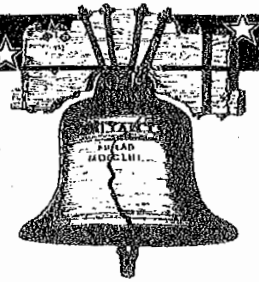

Communicate with your student's teachers and counselor by phone or e-mail. Introduce yourself to them at back to school nights and site council meetings. Let them know to contact you if ever they have a question or concern. Also communicate with your middle school student. Although they are growing up and peer relationships take a higher priority than family relationships, it is important the students know that you are available to talk to them and listen when they need it.

Grant Received

On June 7th, 2014 the Central Kansas Community Foundation awarded Sisk Middle School resource teacher, Mitzi Gardner, a \$300 grant from the Greater Butler County Community Impact fund, for her project ; Kindles for Kids! This program will help students at the Middle School to read books during the year. The Kindle Touches have the ability to read books to students and can help with providing a variety of different books at varying reading levels. This will help with comprehension and since the students are in love with technology encourage them to read. Mrs. Gardner appreciates the Central Kansas Community Foundation of Butler County and would encourage other with any ideas for their community to apply and see your ideas come to life.

Sport Pictures

Football, Cross country and volleyball pictures will be taken at the middle school on September 10 th. Picture packets are available in the office. Pictures must be pre-paid. Make checks payable to “LIFETOUCH”.

Just a Reminder.....

Remember to go to our USD 396 web site, athletics tab, for weekly activities, sporting events and calendar updates! www.usd396.net

2014-2015 Vocal Music

The Douglass High School Vocal Music Department is off to a great start this year. We are currently in production of the fall musical The Little Mermaid Jr. We had a great student turn out at our musical theatre camp this summer. The students got started on painting and making crafts for the show. They also got a head start on learning some of the music. The students showed their great creativity by creating different makeup designs for characters in the show. Douglass High School students and the directors are very excited to present Disney's The Little Mermaid Jr. on November 14th and 15th 2014 in the Douglass High School Auditorium. If there are any parents or community members that are interested in helping with any aspect of this show, contact Sarah Davidson at sdavidson@usd396.net or Dena Sizemore at dsizemore@usd396.net.

This is the 3rd year that Douglass High school will be offering a guitar class. This is a great class and opportunity for students to learn beginning guitar methods and for those that are interested in learning to play the guitar. To help build this program Douglass High School would greatly appreciate any donations to this class. This would include guitars, guitar amps, picks, strings and any guitar supplies and materials to help students who are interested in the class but may not have access to these materials.

I am very excited and blessed to work with the talented musicians at Douglass High School and Sisk Middle School. Thank you to Douglass parents, families, and community members for your support this year in the vocal music department.

PSAT/NMSQT

On Wednesday, October 15, juniors and sophomores at Douglass High School will have the opportunity to take the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Taking this test should provide helpful assistance to students in making future plans concerning college.

The PSAT/NMSQT measures verbal and mathematical reasoning skills and writing skills which are abilities important in doing college work. The test also allows students a chance to find out what the SAT is like.

Other reasons for taking this test include: 1) a chance to compete for scholarships; 2) an opportunity to compare results with others; and 3) an opportunity to enter the student search and receive materials from different colleges and universities.

The cost is \$14.00 make checks payable to Douglass High School. Sophomores and Juniors should sign up in the office. The test will be given in the multi-purpose room starting at 8:00 a.m. Students may pick up a study guide in from Dana Houser. Deadline for registering for the test is Wednesday, October 8.

ASVAB

The Armed Services Vocational Aptitude Battery (ASVAB) will be given to all interested juniors and seniors at DHS on Wednesday, September 17. The test will be given in the multi-purpose room beginning at 8:00 a.m.

The ASVAB is designed to help students in making decisions concerning their future plans. The test is also a required step for those who ultimately decide on a military enlistment. Military and civilian personnel will administer the test at no cost to students. Students are under no obligation to anyone by taking the test.

KANSAS HONORS PROGRAM

Each year the University of Kansas Alumni Association honors the top ten percent academically of each senior class in all Kansas high schools. Academic records through the previously completed semester are used to determine the students to be honored.

Seniors from DHS who are recipients include: Hannah Short, Brody Caster, Kayla Hawkins, Alicia Dunagan, Stormie Collins. These students and those from all high schools in Butler, Elk, and Greenwood Counties are invited to attend the Kansas Honors Program at the El Dorado High School on Monday, October 20th. Their parents, principals, and superintendents are also invited.

Congratulations to these individuals for their outstanding scholastic achievement.

Futures Fair

Parents and students are invited to the Futures Fair held at Wichita State University, Koch Arena on Oct. 6 & 7. Please go to <http://sedgwickcountyfuturesfair.squarespace.com> to get information on what community colleges, colleges, universities and technical colleges will be in attendance. This is a great opportunity to get information from recruiters and learn about scholarship opportunities.

Dear Opaa! Partner,

We are pleased to offer a new value added service to students, staff and parents at your school district. Our new mobile menu application provides:

- Convenient access to daily menus
- Nutrition education information
- Link to your local Director of Nutrition Services
- Feedback opportunity via surveys

Using a mobile device, click or type this link **menus.opaafood.com** into your mobile device browser.

You will be directed to a page that allows you to click on a drop down box to select your school district. Note: A pop up box should appear to allow you to save any screen and add the Opaa! Menus icon to your home screen on your device. Click on the forward button (square w/up arrow) then click add icon to your home screen.

In addition to daily menu selections we have included e-mail contact information for your local Director of Nutrition Services, a spot to sign up for **Opaa!'s Newtrition** newsletter and an opportunity to provide us with feedback by participating in a survey.

We hope you find this new service useful. If you have any difficulty accessing the application please contact our Opaa! office at 888-860-3236.

Opaa! Food Management, Inc.

Attached is a preorder form for yearbooks, we will not be ordering extras this year as it is cost preventative so please fill out the form and send back with your child. Please notice that there is an option to personalize the yearbook this year
