Have You Heard What's Happening with Douglass Schools?

By: Rob Reynolds

Exciting things are happening at Douglass Schools. The Community of Douglass has spoken and shown their support for the school district. The importance of education and the belief that the children of the community should have safe and secure schools is a message that we have heard loud and clear. The May passage of the \$8.99 million bond issue was approved by voters with an 83% margin. The staff and school district are grateful for the overwhelming support and very appreciative of the confidence the citizens have in the Douglass School District. We are pleased that through the efforts of our district steering committee of over 30 district patrons, a transparent approach has garnered overwhelming support for the bond issue.

The school improvement project is moving along and the pieces are falling into place. The project is focused on three major areas; safety and security improvements, aging facility upgrades and facility renovations and additions. The improvements at Seal Elementary will help bring our oldest building in the district up to modern standards, while keeping the focus on creating a safe and secure learning environment. The updates to the high school and middle school not only focuses on safety and security, but utilize existing space to make much needed upgrades to enhance the learning environment for our students. During the information phase before the bond election, it was estimated that the bond issue would increase the tax rate by 4.25 mills. I am pleased to report that the bond issue actually did not raise the mill rate, as a matter of fact the total mill levy dropped 2 mills. The district is currently working with the architects to finalize the designs of the project and the board will be issuing requests for proposals for a Construction Manager at Risk. The initial timeline has construction slated to begin in December 2016 and end in the fall of 2017.

Enrollment numbers at the elementary and middle school have increased for the first time in over 15 years. Due to the welcomed increase in enrollment, the district hired two new elementary teachers to help keep the class sizes manageable. We are very excited about the signs of growth and the stabilization of the numbers at Seal Elementary and look forward to providing a wonderful education to the children of the Douglass Community.

In keeping technology at the forefront of preparing our children for the future, Douglass High School rolled out Chromebooks this fall. Our students are engaged in a full one to one implementation of Chromebook devices, which will support the implementation of Google Classroom. With the outstanding efforts and preparation of the Douglass staff, our kids are already taking advantage of improved learning opportunities through the use of technology. Improvements to the districts wireless infrastructure through the use of e-rate funds, the district has been able to cost-effectively maintain the district's technology infrastructure. Elementary and middle school students are also receiving enhanced technology opportunities with additional iPads and laptop availability in their classrooms.

On behalf of the staff, students and Board of education I would like to thank the community for its continued support and we look forward to the exciting opportunities in store for the students at Douglass Schools.

**Seal Elementary
kindergarten students
cordially invite their
grandparents to join them
for refreshments in the
kindergarten hallway.**

*approved to hire 2 new elementary school teachers.

*accepted the resignation from Danica Edris as a CTE/Special Education van driver

The Scholastic Reading Club is back in the middle school! Your student will bring home a catalog (or two) each month. Scholastic offers a great selection of NEW and popular books at great prices. You can even find a book for \$1.00—this month it is the “Westing Game” by Ellen Raskin and the Young Reader’s Edition of “Pay it Forward” by Catherine Ryan Hyde.

The best part is every time you order books through Scholastic, the library earns points and we get FREE books!

There are two ways to order: fill out the catalog form, pay by check, and have your student return it to the Middle School library—or order on-line. Happy shopping—it’s a fun and affordable way to look at books together and to show your child that reading is important!

Middle School Spirit Wear

Middle school students and parents have an opportunity to purchase t-shirts and hooded sweatshirts that are designed especially for Sisk Middle School. Students will be bringing home order forms which are due back to their home room teachers on or before September 9th. Payments are made directly to Spirit and Pride in the envelopes provided.

PTO NEWS

Hello Parents and friends of the PTO!

Summer went way to fast as far as I'm concerned! Maybe some of you all think the same? With school starting, please start thinking about how you can become involved in our PTO this school year and help us do those extra things to enrich the school experience for our kids and show our appreciation for our great teachers!

A note on our fall fundraiser:

We voted in our April meeting to try something different this fall, instead of the typical sales fundraiser. So, this fall we are going to do a Fun Run and the kids will be asked to get flat donations as pledges to run and participate in the Fun Night to follow the run (and also some other prizes). The main reasons we decided to do this were to avoid selling and distributing things and to be able to keep 100% of the profits and not just a percentage (typically 40%) of the sales total. As a bonus though, we are hoping this Fun Run and Fun Night will turn out to be a great community event! Please come join us on October 1st to cheer the kids on and have FUN with your neighbors and friends!

It's going to be a leap of faith, and so I hope we can count on you to do your best to support us! The fall fundraiser is typically our biggest source of income and so we will need to try to match the funds from previous years, so that we can keep doing the things we do as a PTO (as you know it takes \$\$ to put on and sponsor the things we do).

So whether you, the reader, have a child in the elementary school or are just a community patron, if you would do your best to be willing to say 'YES' to the kiddos when they ask you if you will sponsor them, it would be so much appreciated!! It doesn't have to be a huge amount, a little bit from many people can add up to big successes overall! And remember all donations are tax deductible because the PTO is a 501c3 organization! Thank you!

Don't forget to put the following dates on your calendar and plan to attend these PTO related activities please!

PTO Meeting Dates – always at 6:00 - 7:00 p.m. in the elementary school library and typically the first Monday of the month. Except in September and January (these will be the first Tuesday of the month).

Ice Cream Social – September 13, 2016 – 6:00-7:30 a.m.

Fall Fundraiser Fun Run – October 1, 2016

Donuts w/ Dad – November 9, 2016 – 7:30 am

Muffins w/ Mom – March 2, 2017 – 7:30 am

Spring Bingo Night – February 25, 2017

And remember, shopping at Dillons converts to cash for our PTO, so please make sure your Plus Card is registered to donate to our PTO. If you need details on how to sign up, check out the PTO page on the school website or message a PTO officer via PTO page (Leonard Seal PTO) on Facebook!

Finally, please keep saving Box Tops for Education and send those in with your kiddo when school starts (or drop off in any of the collection boxes we have around the community). We have contests each month for the class with the most box tops and the winners get a POPCORN party!

Keep up with PTO happenings on our Facebook page Leonard Seal PTO.

Have a great year and thanks for supporting the kids and teachers through our PTO!

Written by: Becky Mitchell, PTO president

ELEMENTARY SCHOOL NEWS

Seal Elementary Welcomes Three New Teachers

Welcome fifth grade teacher Mrs. Darcy Seal! Mrs. Seal is beginning her 14th year of teaching. Her previous 13 years have been spent at Price Harris Elementary in Wichita where she taught first and third grades. Mrs. Seal is a graduate of Wichita State University, and she holds endorsements to teach elementary and English Language Learners. Before teaching Mrs. Seal was a stylist and spent many years in retail management. Mrs. Seal and husband Ken recently built a new home outside of Rock, Kansas. They enjoy spending time with their children, Jerod, Crystal, Eddie and Kellie as well as their granddaughter Kimber. Hobbies that Mrs. Seal enjoys include surfing, sewing and reading.

Welcome fourth grade teacher Mrs. Marci Roberts! Mrs. Roberts is a first year teacher who is no stranger to Seal Elementary. Mrs. Roberts has been a long-time substitute teacher in our district, and she completed her student teaching last year at Seal Elementary. Mrs. Roberts is a graduate of Southwestern College in Winfield, Kansas and a Douglass High School alumni. She and husband, Mark, are lifelong Douglass residents where they are raising their children, Kyle, Justin, Trent and Avery. Mrs. Roberts enjoys school work, watching movies, and going to concerts in her spare time.

Welcome early childhood special education teacher Mrs. McKenzie Webber! Mrs. Webber is entering her 7th year of teaching. Her previous 6 years of experience have been in the El Dorado school district at Jefferson Elementary teaching kindergarten, at-risk preschool and early childhood special education. Mrs. Webber is a DHS alumni and graduate of K-State. She is currently working on her masters at Emporia State University. Mrs. Webber and husband, Allen, have a son, Bryden, and they are looking forward to moving back to Douglass soon. Hobbies that Mrs. Webber enjoys include reading, exercise and anything outdoors. She is excited about the great start to her school year.

MIDDLE SCHOOL NEWS

BUTLER 2000

This past June sixteen students from Sisk Middle School participated in Camp Butler 2000. Camp Butler 2000 celebrated it's 25th year since it began in 1991 by Butler county superintendents as a response to the high drop-out rate and low college entrance rates.

That first year, approximately 6-10 middle school students in each Butler county school were chosen as part of the first group of campers that learned leadership skills, college and career readiness expectations. What began on the Butler Community College campus 25 years ago, and has changed hundreds of lives for students, is still going strong today. On June 9th, Douglass was proud to have six eighth grade students graduate from Camp Butler 2000. These students began as sixth graders, completed all three years of summer camp and graduated from the program at the formal banquet. Lucas Bohannon, Blaize Dodson, Jenna Etter, Heather Foltz, Lauryn Gilpin and Nate Moore were our Sisk Middle School graduates this year.

Upon completion of high school graduation, they will be awarded two years of free tuition and books at Butler Community College. Seventh grade Butler 2000 students are Trevor Brock, Caden Davis, Emily Norton, Layla Rhodes-Turner, and James Triplett. Sixth grade Butler 2000 students are Emma Carr, Jessica Headrick

Melissa Lehrmann, Frank Tilton, and Chris Titus. A picture of Phase 2 (seventh grade campers) is shown. Daily activities in the arts, science, personal and social development, and college and career readiness skills are taught and learned by the students through their three years of camp.

Girls Rock Science Camp at WATC

On June 1st and 2nd six girls at Sisk Middle School attended the Girls Rock Science Camp at Wichita Area Technical College. Jordan Brewer, Brooklynn Carver, Faith Harmon, Jessica Headrick, Jeanette Lehrmann and Melissa Lehrmann spent two days with college instructors learning about the exciting career opportunities in science, technology, engineering and math. These young ladies worked together with other girls from the surrounding Wichita area to solve problems, and compete in challenges and apply creative thinking skills.

DHS Launches a 1:1 Technology Initiative

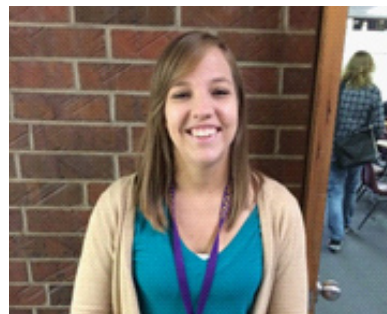

I am excited to announce that Douglass High School has launched a one to one technology initiative for students for the 2016/2017 school year. After a two year process, through which a team of teachers and administrators have researched, tested devices, visited other area schools, and attended training sessions, we have chosen Chromebooks and the Google platform for this venture.

One to one simply means that each and every student has been issued a school owned Chromebook to use for educational purposes both at school and at home. For those of you who may not be familiar, Chromebooks are devices that have the capabilities of a laptop with several advantages in the school setting that typical PC's do not allow. Chromebooks run on the Google Chrome Operating System, and they deliver applications over the internet. All information is continuously saved in the cloud as students work, and software updates automatically. Chromebooks do have a single USB port as well which allows for flash storage so students have the capability of working offline when necessary. Another key advantage of Chromebooks is that, unlike PC's, they boot up almost instantaneously which translates to minimal class time being lost. Chromebooks also have a battery life that will typically have the ability to extend throughout the school day under normal use. Lastly, because these devices operate on the Google Operating System, teachers have the ability to utilize Google Classroom and Google Apps for Education to streamline assigning of tasks and class work while enabling students the ability to complete and turn in assignments electronically.

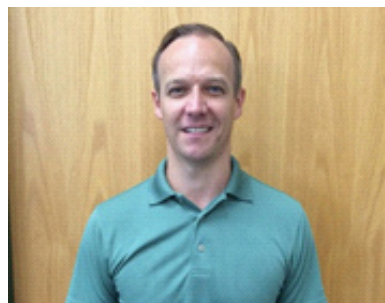

We are confident that this initiative of technology will continue to help our students develop 21st Century Skills such as project collaboration and communication as well as further their progress toward becoming college and career ready. This will provide an excellent opportunity for our students, and we are looking forward to an outstanding year of learning!

Scott Dunham
Principal
Douglass High School & Sisk Middle School

NEW STAFF

We are very excited to welcome Aleisha Christner BACK to DHS. She is an alum from the class of 2011 and now she returns to teach Sophomore English and Forensics for us! She recently was married to her husband Keaton. This is her first teaching job since graduating college. In her free time she likes to read, take walks and draw. Her favorite part about being back at DHS is the staff members and the incredible kids. We are excited to have Aleisha this year!

Josh Fleig began teaching band in 2006 and taught many years of private guitar lessons as an undergraduate.

His latest hobby (obsession) is chess. He has a good friend who turned him on to the game. It is incredibly challenging and never boring. He also enjoys barbecuing. He doesn't mind saying that his ribs, pulled pork and brisket are the best!

The most exciting part about teaching for the Douglass school district is the fact that he gets to teach such a variety of grade levels. At the moment this is also the most challenging part of his job! He has absolutely enjoyed working with my high school students and getting to know his colleagues here at DHS.

- 19 –20 Parent Teacher Conferences
- 21-NO School
- 22 – ACT Assessment @ Douglass High School
- 28- NO School Teacher Inservice

PSAT/NMSQT

On Wednesday, October 19, juniors and sophomores at Douglass High School will have the opportunity to take the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Taking this test should provide helpful assistance to students in making future plans concerning college.

The PSAT/NMSQT measures verbal and mathematical reasoning skills and writing skills which are abilities important in doing college work. The test also allows students a chance to find out what the SAT is like.

Other reasons for taking this test include: 1) a chance to compete for scholarships; 2) an opportunity to compare results with others; and 3) an opportunity to enter the student search and receive materials from different colleges and universities.

The cost is \$14.00 make checks payable to Douglass High School. Sophomores and Juniors should sign up in the office. The test will be given in the multi-purpose room starting at 8:00 a.m. Students may pick up a study guide in from Dana Houser. Deadline for registering for the test is Wednesday, October 12th.

ASVAB

The Armed Services Vocational Aptitude Battery (ASVAB) will be given to all interested juniors and seniors at DHS on Wednesday, September 21. The test will be given in the multi-purpose room beginning at 8:00 a.m.

The ASVAB is designed to help students in making decisions concerning their future plans. The test is also a required step for those who ultimately decide on a military enlistment. Military and civilian personnel will administer the test at no cost to students. Students are under no obligation to anyone by taking the test.

HIGH SCHOOL NEWS

KANSAS HONORS PROGRAM

Each year the University of Kansas Alumni Association honors the top ten percent academically of each senior class in all Kansas high schools. Academic records through the previously completed semester are used to determine the students to be honored.

Seniors from DHS who are recipients include: Vaughn Anderson, Shayna Bergley, Jonathon Skinner, Emily Valentine, Gabriel Wasson, Madison Woody, Allison Zalusky. These students and those from all high schools in Butler, Elk, and Greenwood Counties are invited to attend the Kansas Honors Program at the El Dorado High School on Monday, October 17th. Their parents, principals, and superintendents are also invited.

Congratulations to these individuals for their outstanding scholastic achievement.

Futures Fair

All DHS Seniors will attend the Futures Fair held at Wichita State University, Koch Arena on October 18th . This fair provides a one-stop shop for postsecondary options after high school. Representatives from more than 100 local and national postsecondary institutions attend Futures Fair each year.

2016-17 ACT Registration and Test Dates REGISTER @ www.act.org

Registration Deadline	Test Date
Sept. 16	October 22
Nov. 4	December 10
Jan. 13	February 11
March 3	April 8
May 5	June 10

Students may pick up a free ACT study guide from the Counselor's Office.

DHS STUCO Hosts Freshmen Orientation Day

By Gretchen Grimmert, STUCO Reporter

With games and some dance moves, members of STUCO welcomed the incoming freshmen to high school on August 17th. During the day, freshmen met their new teachers, found their classrooms and learned about the different clubs offered at the high school.

When asked, "What are you most looking forward to in High School?"

Lexie Heitkotter, "Getting to be with my friends in class."

Lauryn Gilpin, "Meeting new people."

Robyn West, "Getting to eat food in class!"

Order your DHS yearbook today!

The 2016-2017 Yearbooks are currently on sale for \$40 until November 4th.

The price rises after 11-4-16.

We still have last year's 2015-2016 yearbooks for \$50.00 (see Mrs. Young or Mrs. Green)
