

Emergency Management Coordinator Designation

Chapter 37 of the Texas Education Code requires that school districts submit information from their district safety and security audits to the Texas School Safety Center, in the manner required by the Center. This form will collect information to assist the TxSSC in identifying the staff member responsible for emergency management in each district. Audit information as well as information pertaining to emergency management training, events and communication will be sent to the individuals identified in this form.

The information contained in this form may be released to those inquiring about the districts school safety and security. Therefore, the TxSSC requests you provide a business address and contact number rather than personal contact information.
