Release Form**

Nashville Elementary School is making an effort to promote the positive activities, honors, and work of our students. During the course of the school year, there are times when pictures or videos of your child may be taken, or when he/she may be interviewed while at school to help recognize achievements and to promote different activities and events that take place at our school. There will be opportunities for various students to be interviewed and/or photographed and identified by name and classroom. We understand that some parents may request that we do not identify their children and we would respectfully honor that request, if made.

Publications may include but are not limited to school newsletters, school event flyers, brochures, NES website, local news media, NES Facebook page, NES Twitter page, etc.

Please Note:

- Some pictures or videos may be action or candid shots taken during participation in an event. Other pictures or videos may be staged for specific purposes.
- Group shots may be posted to the website or social media and may be identified by team or class name, but NO individual names will be included.
- Specific names may be included in school newsletters, yearbook, or local news media, but WILL NOT appear in brochures or online.

Please indicate your preference below:
